

Part 1 - True Constitution Introduction, Indenture and Petitions

Introduction, Triune Grace Commission (TGC), 8th July 2020

What is The Language of Light that Over Lights This 'True Constitution' and the 'I AM' One World Nation, along with This Book of Inauguration?

Communication! It is the Language of the Universe. A Language that is not confined and restricted in limitations of words. It is colour, sound, tones, vibration, frequency, movement, music, light and feelings. It is the Radiance personified in the Glory of Who We Are. This Language is all encompassing, all directional, all Dimensional, multi levelled and multi-layered. It is instantaneous and totally comprehensible all in an instant. It has no boundaries or limitations. It is the Language of the Angels and Higher Realms of the Universes and Galaxies. It cannot be distorted or misrepresented.

It is Honourable and Stands on Its Own Integrity. It is the Voice of Home. The Inner Voice of God As the All That Is! The blank or void and in this Book also, has the Expression of this Language in through and all around it, indicating that it is formless and not just a physical book of words alone! It is Emptiness, the Centre of All, in All!

Why Is This Language Being Presented To You Right Now?

The Language Of Light is a Gateway, an opening to other Dimensions. It is the Bridge to which you are seeking your enlightenment. It will provide direct communication and travel processes back and forth into other Dimensions. Particularly those of Lemuria and Atlantis which is very much a part of our present consciousness levels of communication at this time in our lives. But it is not limited to there or anywhere.

The work in these areas are not yet complete, why else would you be asked to revisit and transmute the energies that created so much confusion and mistrust in those times of upheaval and displacement. The energies of these areas of Atlantis and Lemuria and many others, like Mesopotamia are required to complete their transformational processes before the overall consciousness of the planet can move into the Higher Realms of the next Dimensional Shifts.

When one becomes aware of the Language of Light and how it is used to communicate, then it provides an important Key in the Transformational Process of Ascension, you will see through God's Eyes and Hear with God's Ears. The Language is processed through feelings that in turn allow the conscious mind to Unite with Pure Consciousness or God, beyond your perceived separation. By processing this Language and we all know how to do this, we will discover many aspects of our Selves that one is presently unaware of. One can remember by simply using your feelings and quieting one's active minds. Be Still and Know That You Are, 'I AM' The Presence of God!

A Point of Awareness! You are now moving into Energy Fields that are more creative and responsive than ever before known on this planet. The responsibility has been entrusted one

by one and only the one can decide when they are ready to step into this Grandness of God's Individualized Expression awaiting each. Once they do, they will see sights never before seen here, have feelings never before experienced in the Realms of Human Consciousness and attain what once was considered the impossible dream, that of Ascension while holding onto the human body.

The Human Angel is beginning its final stages of manifestation on the planet now. Individuals have done this before but only a very few indeed. Now the potential is for all human beings to attain this for themselves, a Whole Planetary System at once. Feel the Glory of such a feat. Feel the Power and Fullness of what this represents. Congratulations, this is what it is like to feel Empty. FULL ISN'T IT?

Foreword

The United States Constitution was established and signed on September 17, 1787 at 16:00 hours in Philadelphia and remains valid to this day. This **'True Constitution'** for the New **'I AM' One World Nation** is Inaugurated, Consecrated and Signed on 17th September 2020, the New Moon, at 12:00 hours, Midday, London BST, to Cosmically Align to equivalent Higher Alliances that were available with the Original Intentions by St Germain and the Hierarchy at the Signing of the US Constitution. It shall take around 300 years to Perfect this **'True Constitution'**; that is 15 Generations of New Children, Who Will Secure Its Success in time. The Whole of this World and beyond is the Prime Focus from now on. This is understood on all Levels of Consciousness and that is why it must be placed into a Physical Manifestation here upon Earth in 2020, so that its Principles, Laws and Rules shall begin to permeate the Consciousness of present humanity and those who shall follow in future decades and centuries to come.

All Divine Powers that shall be Granted by the Karmic Board of Directors to Humanity, through humanity, that is, the New World Servers, shall be Invested in God Mother Vesta's Energies within the Formations of Ashramic Groups of Synthesis, under Cosmic Law, the Laws of Nature and the Christ Councils of the New **'I AM' One World Nation** and Consist of the New Christed Beings, the Second Coming of the Christ, as they Effectively Unite, Co-Create, Co-Participate and Co-Operate in Group Formations under the Laws of Divine Economy, within the New Physical Christ Councils here upon Earth. This Evolution into Higher Administrative Governance will eventually evolve all present day known forms of society, religion, economic systems, political parties and governance; hence, allowing the People to Govern themselves through Innate Knowing, in terms of human interaction, needs and development.

Everything that is needed today, to formulate and set this **'True Constitution'** into Love in Action, is available to Us NOW! We Have the Support of Shamballa, Hierarchy and Humanity. We Have the Knowledge and the further access to Higher Knowledge as each Level of Awareness as is required and acquired. Now is the time to expand human consciousness into such Higher Knowledge, Wisdom, Love and Divine Truth!

“The Human Angel Circles can now accomplish great steps forward to achieve the foci of human yearning and endeavour, bringing God's Love and God's Truth to the surface realms of human thought and belief. The Christ Consciousness now has a Centre of Focus, Activation and Stabilization that has successfully bridged the chasm between the Higher and lower Realms; As Above, So Below and As Below, So Above.

“Bringing together two or more human beings, especially those within Sacred Christ Circles of the 12 + 1, Co-creates an Energetic Synthesis of possibility which will indeed, lead to the unexpected and successful change in the fabrics of your worldly realities. Such a development would not have been conceivable, let alone achievable, without all the wonderful Love Light Energy being Anchored now, by so many Star Light Seeds. Beloved Children of God, dare to look outside of what was and dream of that which you desire To Be; then go and Live it with All Your God Might! Dear Ones, push the boundaries of your known consciousness, for Now is Your Time!”

Shekinah of The High Council of Elohim, May 8th 2008.

It is important for anyone who is Magnetically Attracted to this **‘True Constitution’** or the Cosmic, Universal or Natural Laws, that no race, colour, creed or religious denomination are separated or divided within the focus of this Co-Creation at hand. All Are One Body, One Heart and One Mind. God is not separate from anything or anyone! This following statement may assist in comprehending and understanding a little more.

“I Know You Know We Are One, so why on Earth would you or anyone, indeed, how could anyone in their Rightful Mind ever believe they live a life with two minds when God is One Mind, One Heart and One Stream of God Life! When humanity Knows the Reality of what One Heart, One Mind and God Life Is, then everything in those Individualized Expressions of God Life will come together in One Body, One Heart and One Mind.”

Codes Of Conduct

CODES OF CONDUCT – FOR THE ‘I AM’ ONE WORLD NATION NEW CITIZENS SELF GOVERNANCE AND SELF LEADERSHIP PATH

- *Always be conscious that you aspire to the fullness of the Expression of God and Devote All your Being and your Service to that end.*
- *Learn the Lesson of Harmlessness and neither by word, thought or feeling, inflict negativity, malice, or impure things upon any part of Life. Know that action and physical violence are but the impositions of fear, rejection and separation.*
- *Stir not a Brother's or Sister's sea of emotion thoughtlessly or deliberately. Know that the storm in which each person places their Spirit through such energy transferences will sooner or later flow upon the banks of their own lifestream; rather, bring Peace, Joy and Tranquillity to life and be a gentle, soothing balm to life's disturbances, imbalances and unpleasantries.*
- *Disassociate yourself from the personal delusion. Never let self-justification ever reveal that you love the self-more than the Harmony of the Universe. If you are right, there is no need to acclaim it; if you are wrong, pray for Forgiveness. Watching the self, you will find the rising tides of indignation among the more subtle shadows called 'self-righteousness'.*
- *Walk gently through the Universe, knowing that the body is a Temple in which Resides the 'I AM' That Brings Peace and Illumination to Life everywhere. Keep your Temple always in a respectful and cleanly manner as befitting the Habitation of the Spirit of Truth. Respect and Honour, in Gentle Dignity, All other Temples knowing that often within a crude exterior burns a Greater Light.*
- *In the Presence of Nature, absorb the Beauties and Gifts of Her Kingdom in Gentle Gratitude. Do not desecrate Her by vile thoughts or emotions, or by physical acts that despoil Her Virgin Beauty.*
- *Do not form or offer opinions unless you are invited to do so and then only after Prayer and Silent Invocation for Guidance and Qualification of your thoughts and feelings.*
- *Speak only when God wishes to say something through you. Otherwise, remain Peacefully Silent.*
- *Make the Ritual of your Living the Observance of God's Laws so unobtrusive that no person shall know that you aspire to Godliness, else the energetic force of others may be imposed upon you, possibly resulting in your Service becoming impacted or tainted with pride or other human glammers.*
- *Let your Heart be a Song of Gratitude that the Most High Has Given into your keeping, the Spirit of Truth and God Life. Which through you, chooses to Widen the Borders of the Father's, Mother's Kingdom.*

- *Be alert always, to use your faculties and the gifts loaned you by the Father's Light and the Mother's Love of All Life, in a Manner to Extend and Expand His and Her Kingdom.*
- *Claim nothing for yourself, neither Powers nor Principalities, any more than you claim the Air you Breathe or the Light of the Sun, using them freely but Knowing the God-Ownership of All.*
- *In speech and action be gentle, but with the dignity that always Accompanies the Presence of Our Living God that is Within Your Temple.*
- *Constantly place all the faculties of your Being and all the Inner unfoldment of your Nature, with the 'I Am' Presence Within, especially when endeavouring to assist others who need your help.*
- *Let your watchwords be Gentleness, Humility and Loving Service, but do not allow the impression of humility to be mistaken for lethargy. The Servant of the Lord, like the Sun in the Heavens, is eternally vigilant and constantly outpouring the Gifts which are in His and Her particular keeping.*
