

Part 3 - True Constitution Why The Flag?

FLYING THE FLAG FOR THE ELEMENTALS, DEVAS AND ANGELIC HOST -
MAHA CHOCHAN, 7TH MARCH 2021

INVOCATION: Mighty Presence, 'I AM' Ready to Make the Correction Within myself to Create a Daily Habit for the intellect to Stand Aside, Holding the Picture of Perfection, only That Which Is God Made Manifest. This Divine Command Is Given Through my Beloved 'I AM' to Take Control of the mind. Divine Will and Focus Permeates my Attention to Hold Control of My Feeling Energy Body, Within the Nation and the World, During All Creative Activities and in Meditation. 'I AM' Giving My Life to the Source and Substance of Perfection, Which Is the Light, the Boundless Supply of Nourishment to All Particles of Life, as 'I AM' the Full Activity of God. With Love and Adoration, Turning Constantly to My 'I AM' Presence, Now Calling Forth the Power of Inner Sight, Inner Hearing, and Inner Music, Into the Love of the Sacred Fire of You're God Heart! 'I AM' Holding the Picture of Harmony, Illumination, Happiness, Outpouring Love and Perfection against Everything destructive, Everywhere I Go.

Maha Chohan: Beloved Spirits of Immortal Truth, today I wish to continue the Ratification of My explanation as to, '*Why the 'I AM' One World Nation Flag!*' Not to confuse those who come without prior Knowledge or of not knowing of the History of the Earth or Its Creational Endeavours, this vital information is required, not details as this would fill the libraries of the world, but sufficient words to give '**Rise**' to a Flame that already exists within Every, man, woman and child born upon this Earth. Today there are around 7.8 billion human inhabitants upon the Planet. And each one has, whether known or unknown, just such a Flame; Burning within them that is the Christed Flame that is made up of the Sacred Cosmic White Fire Light Substance that the Elementals, Devas and Angelic Host, Who have not only Manifested These Flames for each person, but Who maintain these Flames to remain Eternally Burning from the Moment of Conception to the Moment of death, as mankind presently deems death to be.

This Flame is called the Christed Three-fold Flame or the Comfort Flame. It has many Forms and comes in many Colours and Levels of Radiance, yet regardless of what you call it or how one Sees or imagines it, It IS the '**GOD FLAME**' Within You That Burns, as the faintest of flickers or as Mighty as a thousand Suns, depending upon one's Level of Consciousness. I tell you Dear Ones, it is there, Deep within the Core of Your Physical Being, whether you believe or disbelieve, accept or deny, Know or have no concept whatsoever. Just because one does not know something exists, does not mean that that thing does not exist. God Exists, but how many Know of Our True God or His or Her Creations Both within the physical embrace of the human condition or the Creation of Worlds, Universes or Cosmoses.

If I told you how many Cosmoses there are in this Milky Way System, you would immediately cast your belief that none of this is Real and would turn away from it in an instant. However,

what you cannot see with human physical eyes, no matter how much you might try to find them, means absolutely nothing within the Realms of Dimensional Frequencies or other Systems of Worlds. The Proof of which is Now within your Grasp to See Dear Ones, should you Apply Yourselves with Greater Due Diligence in the future and to take care to Finally begin to let go of all your old human creational patterns of belief and programming structures, will help you beyond all your expectations, if you are only, but **'Willing'** to see beyond all of your own human creations. None of these will serve you any longer for where you are now heading; human creations will no longer exist! If this is your choice?

Allow me to continue to share further with you.

From the Heart of the Sun, *(and I tell you what you see as your present Sun, is not Its Reality in the Next Dimensional Frequencies of Light that you are being offered to Transcend into Now)*, at the Inception of humanity's journey upon the physical structure of the Earth Plane, came the First Representative of the Holy Spirit, and through His Body was Focused the Initial Impulse of that Flame, which IS the TRUE NATURE of the Completed and Matured God-Being.

When humanity began their incarnation upon Planet Earth, the First Great Kingdom was a Natural One of Innocence and Gentle, Child-like Beauty, wherein the Life Principle was Developed in Love. These Beautiful Qualities enabled this Entire Civilization to Complete Its Round without suffering, hardship or pain, and when the Great Manu of the First Root Race or Round (The Polarian Race) returned to the Heart of Father/Mother God, the *'First Day or Cycle'* was Completed.

Each successive Maha Chohan has the increasing Responsibility to which They MUST Respond, for the Protection and Welfare of the Nature Kingdoms which had through human provocation, required Works by the Chohan in less complementary harmony with Its Evolutionary mankind, and so the Second and Third Races or Rounds (Hyperborean and Lemurian) were a little longer and more difficult for accomplishment; but eventually the Second and Third Rounds were Completed, and the Manus, with their accompanying Christos and Maha Chohans, Returned with an Emancipated People to the Bosom of God. The Fourth Race or Round (Atlantean) has yet to be completed and that, as well as the Fifth (Aryan), are under the Process of Redemption, Liberation and Emancipation at the present time. The Sixth (Trivian) and Seventh (Pangaian) Races have yet to enter on the stage of life. The above short dissertation is necessary in order to make plain and understandable the Present Activities that are the Responsibilities of the Maha Chohans within each of the 7 Root Races and Their 7 Sub-Root Races. All which are and will be the Domain of the Elemental, Devas and Angelic Host Realms, for without Them none of this would be possible.

That is why today 'I AM' Flying the Flag for These Dear and Mighty Beings of God Life! Beloved Hearts, Who Seek the Knowledge to attain Happiness, know that your lesson lies within the contemplation of the Father's Light and the Mother's Love. Let Me Direct you in Light and Love within the Kingdoms of Nature, The Elementals, Devas and Angelic Host, which, on the Evolutionary Scale, lies far below the potential Divine Power of Mankind. Nature Mirrors so

much more of God's Love and Light than you at this time, but that is only because you have abandoned your '*Comfort Flame*' Within You! Yet you were still Chosen to be the Lords and Ladies, Sons and Daughters of God's Creation. The Human Race that will Lead the four Lower Kingdoms' of Nature back Home; that of humanity, the animals, the plants and insects and the mineral Kingdoms. The Creation Of the Sons and Daughters of God, which You Are Already, if you could only Remember and Accept These Truths for yourselves!

Through the Body of Nature comes all the Sacred Cosmic White Fire Substance that sustains the physical bodies of all life expressions in accordance with their own conscious awareness. Without these Gifts of Nature, there would be no food, no shelter, no clothing. No physical bodies could endure for a period of more than a few short months, depending where they lived upon the planet.

In return for Her Gifts, Mother Earth, the Nature Realms, and Spirits, who furnish your bountiful tables, all They receive back from humanity today are the poisonous excrement of breath and body, and, finally, the very decadent garments which you have worn, all this with the patience that is not of a century, but of so many countless aeons of time, that it would stagger the human mind even to contemplate for a second. Can you say as much for yourselves? Are you willing to absorb the iniquities of each other, and actively replace them with the substance of happiness and good? Can you do this for the matter of a month or a year, to say nothing of an eternity?

The Rhythm of Nature is the Constant Refinement of the human race, that brings balance back to humanity for the errors they make. And when they reach the points whereby the balance of such Divine Work They do, reaches a line drawn in the sand by God, the next levels of Elementals Elevate Their Powers to create the floods, tsunamis, earthquakes, volcanos and all other catastrophic events that bring humanity back into balance before they destroy themselves and this world. If mankind would only learn this lesson, they would solve all problems within this world that rotate constantly around all manner of human dilemmas like, over manufacturing and excess use of natural resources, need or use of atomic weapons, human control with biological warfare, drugs and chemical concoctions that suppress humanity and so much more.

GMO products, viruses that are manmade to control the people of earth, vaccines that are not created to heal humanity, but to suppress their immune systems, so more drugs can be sold for profiteering! This is just the minutia of what is going on behind the public awareness screens of multi-media, pharma and carbon-based organizations, and those who hold the governing finances of the world. I tell you Dear One's, not a sparrow falls from the sky that God or We do not know about! So, these situations are now in the Mind's Eye of Those Who Now can make the choices needed to bring even these situations to be afforded balance and Divine Justice for all, to be held Accountable within Accordance with Cosmic and Universal Law. Man alone, need not be concerned about such things, this is the Domain of the Elementals, Devas and Angelic Host you see!

I Speak of Nature today, not only to make men and women aware of the Love Principle that is Within Nature, but to also become aware to be in Deep Gratitude to the countless God Intelligences Engaged in the Service of Mercy, and to point out to the Souls of men and women the Activity WHICH MUST REPLACE the present consciousness that refuses to lift the load or share the burden of these Beloved Beings because, until this consciousness is replaced, MAN CANNOT COME UNDER THE BENEFICENT PROTECTION THAT THE NATURE KINGDOM WILL AFFORD THEM IN THE EARTH CHANGES TO COME. Humanity is at a Crossroads right now and so these attempts to Reform the Consciousness of Humanity are a vital challenge to find the Salvation of Humanity through the Comfort Flame that Shines within them.

If Nature Serves humanity by taking the excrement of your body, the carbon monoxide of your lungs and machines and the decadent flesh of your garment, and, with Love, Gentle Hearts and Hands, Gives you, in their place, the leafy green, the fragrant blossom and the soft, warm wool or gracious silk, and you cannot take the conscious or unconscious discord of your fellow man, consciously consume it and, more than that, give back a Gift of Tolerance, Forgiveness and Love, YOU HAVE NOT EARNED THE RIGHT to Live ABOVE Nature's Kingdom, OR EVEN PARALLEL WITH IT.

I Am Speaking to you now because the Urgency of the need to Respond to the Calling for Peace upon the planet is here. The time has arrived WHEN WE MUST HAVE IN INCARNATION those who are at least EQUAL to the Nature Kingdoms. We do not ask that they be SUPERIOR to it. But you do have the Potential to Guide Their Direction and Use to return this Human Race and the Earth back to a Pristine State as was here upon the Earth in the First Round of the Polarian Cycle. The Raising of this **'I AM' One World Nation Flag**, shall be the Sign that this time has arrived for humanity to **Rise Up! In The Name of God**, above suppression. To **Rise Up! In The Name of God**, above separation. To **Rise Up! In The Name of God**, above old beliefs and programmed patterns of miscreation and misbehaviours. To **Rise Up! In The Name of God**, against planetary pollution and depletion of the Nature Kingdoms through arrogance. To **Rise Up! In The Name of God**, against the raping of the Mother's lands and waterways, of Resources that are not in Service to God's Divine Plan but man's pocket to rape and plunder and destruct all over again!

To Rise Up! In the Name of God, not by angry means, violence or protests that project unbalanced emotions. But in ways of Peaceful means, Balanced means, Gentle Hands of God's Grace. Can you imagine, sense or feel a Loving Walk in Celebrations of Knowing the Truth, toward your Houses of Parliament, your banks and other administrative and economic institutions carrying the **New 'I AM' One World Nation Flag**. Just to share your Joy, Share the Sacred Cosmic White Fire Light with all Dear Souls, nothing more! A Flag that shall Speak for you! A Symbol of God's Grace and Eternal Power, that shall be Delivered by the Elementals, Devas and Angelic Host while upholding the Cosmic Laws? These Dear God Intelligences Know not of man's laws and are Bound by the Covenant They have to Their Work

of cleaning up man's errors and ways that oppose these Laws of Peace, Love, Wisdom, Abundance and Divine Justice.

Dear Friends, You will only have to Direct these Dear Ones, through your own Decrees through your own Divine Resonances and Light Quotients and then step back and *'Let Go and Let God do the Work'*! This is not your Responsibility to deal with, but it is the Responses you give that will make the difference. How do you Respond? In Love and Grace. Anything else will only antagonize and create reactions. This is not about fighting or trying to siege control from those in control. It is about Love, for Love IS Eternal, It is about Truth, For Truth IS Eternal. Love and Truth are of God and its God that shall Claim the Mighty Victory over all Imbalances within the world, not you as human beings! It is for these reasons that the New Christ Councils shall be formed around the world where the New Governments will be Created to Administer to the Needs of the **New 'I AM' One World Nation**. These Governments will not be made up of human beings holding onto human consciousness, but Christed Beings Adhering to the Cosmic and Universal Laws and in Accordance with God's Will.

I wish to close today with an excerpt from a Discourse by Queen Sophia placed within *'The Elemental Grace Alliance - The God Awakening Book'* and what She has described about what mankind has done to the Elementals, Devas and the more delicate Beings such as the Sprites and Fairy Kingdoms. I share this not to light a fire of reproachful emotion within you to react with any notion of anything less than God's Love, but more so, to give you a first-hand account from those who have to deal with man's arrogance and ignorance and suffering that All Elementals, Devas and Angelic Host have and continue to suffer from through the hands of man's mindless creations.

'4 The Melvadek Alliance Queen Sophia Mel 20080615.'

"For We like the Great Elohim are bound by the Universal Law. We are here in Creation for We are an aspect of the Creator's Wishes. And so, Our Charter, Our reason for Being, Our incontrovertible impulses are to Serve, to Serve Life! Life in its outpourings, Life in its understanding, Life in all its beauties. So, when your scientists have trammelled upon the Rules of Creation, and when your scientists have taken a part of a genetic code of one being and transgressed all the Laws of Divinity and how one Realm works in cohesion and cooperation with another. No! They have ignored all those things and your egotistical minds have said 'oh no none of that is required, we can be the Gods, we can take the gene of a fish and inject it within a tomato???!!!' The scientists say by doing this that these tomatoes can withstand all the colds and the ills of the fish that are so naturally meant to do.

"By doing this you have prostituted Our Will, for you have taken Our abilities to Create and you have forced us, by the fact of Our Dedication and Charter from the Creator to always implement God's Will. You have thereby forced us to create these genetic mutations and although We could foresee great damages that would be caused because of it, yet We do not possess the free will to say, 'no We will not do these things'. We are beyond Honour bound, Our entire reason for Being is an aspect of manifesting The Creator's Will. So, We have

allowed, and We have been a party to these creations that you have insisted to be brought forth. And even more hideous still, you have forced us to help bring the pseudo-plasm into active life, seeds that contain poisonous intent. Seeds for food crops that you would use for your foods that have within their genetic structure the ability to withstand massive doses of poisons.

“Poisons which before these creations would have disseminated and destroyed that Plant, yet now those Plants are filled with these evil protective mechanisms. Mechanisms which, again in your ignorance and your arrogance you have released upon the planet. Ah yes, because of this you will make Greater profits and outgrow the previous yields, as long as you use more of those hideous poisons, and what has happened?

“You have already massive, unwarranted, unexpected and unplanned amounts for dispersals. There are now weed plants, plants that yes, even though we must create those weed Plants for they are part also of the Charter. The evolutionary forms that have developed upon this planet because of the pollution and because of the..... selfish egotistical disconnected minds of those humans who would control. Those seemingly valueless weeds are now what we would call “demon plants” for they now contain these evil protective mechanisms that are held within their form, ways to be resistant to all those tools that man would use to bring control. Instead, man has released aspects now, of which they have no control. Within the Plant Realm what this amounts to, it is like releasing an atomic bomb! The destructions and the consequences are so far reaching and so long extended, all of these things shall require miraculous intervention if they are not to continue to multiply and create further massive destructions in many, many Realms.

“So, I bring forward these examples this day again to help those from other Realms far beyond to understand some of the complexities in Our microcosmic Realms. And so, the hurdle with which We are now saddled, some of the great torment of which We are torn within Our hearts. We have never wanted to produce such ugly and malevolent things and yet We have been inevitably consumed and controlled and forced to do so. There are so many within My Realms who weep disconsolately, who find despair and those of Us who hold that magnificent beauty that was so fleetingly felt yesterday. Those of Us who hold such beauty have been forced to spend so much of Our time, just bringing forth that Love and that wonderful, restored energy simply to keep Our Own Brethren, Our Own little Sprites, Our Own Fairies, Our Own Goblins, all of those Beings within Our Realms who have served so faithfully and so tirelessly to support the Natural Kingdoms and thus provide the Realms within it, within which humans have been, so We thought, allowed to grow and evolve. So, for Us to hear of a radical new way forward, a way that would change the entire format of humanity, a way to bring that disconnect between Heart and head-mind back into unity. Oh!!!! Bless You, Dear Ones!” End Excerpt.

I look forward to speaking with you again tomorrow.
