

Part 4 - True Constitution Why The Flag?

THERE IS A POWER OF RESURRECTION - MAHA CHOCHAN, 8TH MARCH 2021

INVOCATION: Infinite 'I AM', the Altar of my Heart Is the Open Doorway to Receive the White Light Within the Darkness Embracing the Divine Spark Through the Sacred Divine Union With All Life. 'I AM' One and Made Whole, In Essence as the Divine Feminine and Divine Masculine, Through the Holy Union of Black Light In the White Light God Qualities, the Full Complete Materialization and Creative Expression of Pure Life Force Energy, That 'I AM'! Christ Light, You Are the Presence of God, Infinite, the Creative Act of Being, the Holy Union of the Full Embodiment of the 'I AM' Manifest through the mental, emotional and physical bodies Within individuals and Relationship, In Partnership in Unity Consciousness, Within Governments and Nations, Within the World. 'I AM' the Supreme Mind of God Upon Mother Gaia!

Maha Chohan: Beloved Spirits of Immortal Truth, there are many Truths within the Universality of Higher Consciousness and Cosmic Law, that have been kept from the masses for far too long. Consciousness and Knowledge which has been withheld by those who have controlled the religions of the world. Slowly, these untruths and suppression of information that would Free the People, Self-Empower the People and Enlighten the People is now going to come forward in greater attempts to remove the untruths and replace them with the Truth of their Original and Natural Life Qualities and Virtues. The New 'True Constitution' is part of a Divine Plan that will Unite and Raise the Consciousness of the People so they may make new choices about their own lives and not continue to be suppressed by those who have kept such knowledge from them.

We See that the outer consciousness of humanity in general, Naturally Accepts the Power of the Individualized 'I AM' Presence to beat their heart, to Radiate the Intelligence by which the activities of the daily life are carried on. The outer consciousness, however, must become confident and more Greatly Aware of the Light of the Presence in regard to the requirements that the third dimensional plane presents in the course of the experiences entered into by the individual and group.

We have shared many times how in Luxor, the Aspirant, (*the first stage of being a seeker of Truth*), is left alone with nothing in the way of informational materials, except the flow of energy from his or her own Presence into his or her heart. They are bereft of books and any extraneous means of studying so that he or she '*may know him or herself first*'. As you know, while there is any diversion that can occupy the attention of the outer self he or she will not contemplate the source from whence it sprang. In all religious orders contemplation of God

is designed to acquaint the individual with the flow of God's Life which is ever-present, but those subtle vibrations are scarcely ever felt in the tumult of daily living.

To acquaint oneself with God's Presence is to find a force within the lifestream which has been experienced by all Mystics and Holy men and women. They differ from the average person only in that they have recognized, accepted, and become One with the God Principle which flows not only through them but through all other Dear Souls, regardless of their beliefs, outer world activities or religious denominations as well.

Mankind, feel that the Saint, the Seer and the Holy Person are particularly Sanctified and are Anointed by Grace, which does not apply to the masses. This is such a fallacy. They are only the men and women who have become '*still enough*', to Recognize the God Life that Flows as freely through the most unawakened as through the Heartbeat of Beloved Jesus or any Divine Member of the Human Race, or dare I say the Hierarchy that Govern this world. When you know, therefore, that individuals who have reached this Spiritual Grace, through Divine Spirituality and not human spiritualism, for there is a vast difference between these Processes, have merely tapped a Reservoir which is Open to all, and will give hope and strength to the consciousness of the people who have not yet tasted of that Sweet Water of Spiritual Grace which Flows Untouched through their experience each day, should they give their Full Willingness to Contemplate the Power of Their Lifestream and Allow Its Great and Ever-Present Protection and Perfection Work for them and through them, as IT so Earnestly Desires To Do.

Know then My Children, that I Am, with My Comfort Flame, Ever with you as you climb upward upon the Path to Discover the Source of Your Lifestream within the Grace, Beauty and Joy of Living within the Divine Flow of the Father's Light and the Mother's Love that is Flowing unimpeded through you every moment of every day! Trillions of Neutrino Particles are flowing through every square centimetre of your four lower bodies and the world every second. This is Your and My Connection to the Sacred Cosmic White Fire Light Substance that Unites Us all throughout not only this world but through multiple planetary Systems, Galaxies, Universes and Cosmoses.

Each Sun, within these Bodies of the Creator's Love and Light, that is sent forth from the Central Sun, in like manner, as I shared yesterday, steps down the Light and Power of the Central Sun and Radiates the Gifts and Powers of the Central Sun THROUGH the Inner Circle of Cosmic Beings, Who Form the aura of the Sun Itself. These God Intelligent Beings are the Messengers of the Most High to the Planets that Belong to that Sun, in Your Case here, the Solar Sun of Beloved Helios and Vesta, and in turn to All Life Evolving thereon. You will see that the Activity of the Inner Circle adopted by the Cosmic Councils of Light are Patterned after the Design of the Universe Itself.

When an individual on Planet Earth, for example, has expanded his or her Light to a point where more than ordinary Power can be safely focused through him or her, the Lord of the World, Gautama Buddha, is immediately advised of this Fact by the Christ Self of the individual, and the Sponsor from the Ascended Host of Light, Who has taken the Responsibility for assisting such a one, to then assist the further expansion of his or her Light. If the Lifestream is found pure enough and balanced enough to become an outpost of the More-Than-Ordinary Powers, Gifts and Activities of the Godhead and Its Representative Organization for the Planet Earth, the Cosmic Councils of Light, such a one is INVESTED with Specific Magnetic Currents, which will draw toward the individual, lifestreams Who can Work in Harmony with such a one and Form the Mystic Circle around them where a localized, national or international Expansion of Light will take place.

It is therefore important that each Dear Soul who may become attracted or magnetized to this Divine Plan, A Plan known as The Elemental Grace Alliance Council, of which the **'True Constitution'** and the **'I AM' One World Nation** Endeavours have been Conceived, Inaugurated and Birthed into Manifestation, that is not a human Plan. It Is a Plan that has been anchored upon the Planet in accordance with Cosmic Law through unascended beings who have been Divinely Impressed with such Visions, Images and Ideas and who have now through Their own efforts Magnetized such Specific Magnetic Currents for Extra-Ordinary Instructions to help fulfil this Divine Plan. A Plan that is now taking place all around the Planet through so many more individuals than they could suspect right now. But I will Speak of these further, before We finish within this Series of Discourses, when I shall introduce the New Synthesis of Ashramic Group Life for Greater Awareness.

Therefore, as the steel magnet unerringly attracts the particles of steel toward it, but has no effect whatsoever on other types of so-called matter, so do the lifestreams of those who are Ordained to be the Heart Centres of a Specific Activity Drawing Complementary Heart Flames, which can respond to the Magnetic Pull of Their Vibrations, and others will be totally unaffected by this Subtle Centripetal Force. This Endeavour is just starting, it remains in its infancy, if I may use these terms, to offer a dynamic of Magnetic Attraction in comparison of what WILL be seen in the coming years and decades within Earth's and Humanities Evolutionary Embrace. As this Treatise is being written, with only 50 people being aware of what is taking place here right now, you may begin to feel the vastness of this Endeavour and the need to take the baby steps to secure and fix in place the Rightful Applications, Formulas of Approach and Living Organism Structures for its successful Application and Expansion. And that Dear One's, Reading this now will help to make these things Manifest!

Now, in the Case of the Great Cosmic Messengers, Like Gautama Buddha and Jesus, you will remember, or will discover in your own time, how the Master would Greet a newly-come expected one with the words, *'I have waited long for thee'*, the Master Knowing Full Well that the Magnetic Power of Cosmic Love would, in God's Good Time, Draw Those Specifically dedicated individuals who were and are to Become the Inner Core of the Circles, of the

Radiating Centres, the Hands and Feet of Their Father and Mother God, Lord and Sponsors, The Cosmic Councils of Light, and, by which Their Messages and Their Words from God might be stepped down to reach the lesser sons of men. So, if you have heard this statement personally or through other Sources that have come from the Higher Realms **'We Are Waiting'**, this would have been a gentle nudge from the Masters who are your Sponsors of which you have Agreed when you had the Mind of God to Commence at a certain Moment your Real Work! Call it a Reminder if you like! The call was indeed *'I have been waiting Long for Thee'*! The response from you, would have shown the Master if you were ready or not, at the time you received the message.

In Forming the Inner Circle for the Expansion of the Father's Light and Mother's Love, whenever an individual is *'fired up'* to **'Rise Up in the Name of God'**, with the Holy Desire to become a Focus for the added Power and Responsibility, there will be Drawn Around that Lifestream, those individuals who choose to become a localized Radiation Centre, with Grants and Dispensations for the Extra-Ordinary Instructions on how to Radiate From those Central Circles which shall Represent the Sun (*the 'I AM' God Presence and the Masters*), Surrounded by the Messengers and Their Disciples and Initiates Who, in turn, shall Carry Their Love, Light and Understanding to other Local Groups (*the planets of the Spiritual Organisms and the local Groups in turn nourishing and developing mankind cradled in Their Auras.*)

The Spiritual Vibrations for the Expansion of Light through the **'Bridging of Consciousness between the Masters, the Elementals, Devas, Angelic Host and Humanity'** will Draw Specifically Prepared Lifestreams, Who Will Respond Joyously to the Magnetic Pull of God's Love and Light. They Will Now Become Outposts, **Flying the Flag of the 'True Constitution' and the 'I AM' One World Nation**. And of this particular Outpouring, which will in no way interfere with the *'Light from many candles'* that are already burning on the Altars of mass consciousness of the world. As I have said repeatedly, the Light of even a tea light candle increases the Light of the Sun, and We Must therefore Rejoice in each such individual or group as they use their *'free will'* to choose so as to shine, each according to his or her Light, his or her understanding, and HIS OR HER CAPACITY at present. But for those Who can Respond to My Vibration, or the Vibrations of the New Ashramic Groups of Synthesis, We in the Heavenly Realms Shall Show to all, each one Our Divine Blessings and Gratefulness for help in this Massive Endeavour to Re-Unite a world who has lost their way, back to the Truth of a God Pristine World and Life!

Can you see how necessary it is for you to gain your Freedom over time, space and supply, in this world of form! If you had your Freedom, We could get Our Instructions to you more quickly and promptly, and would not be compelled to crowd it into these short periods of time, words that continue to inspire to achieve this goal. But it will come as you endure, as your sincerity continues, as your **'Willingness'** becomes your own Obedience to your 'I AM' Presence; and as you Persevere with the Purification activities both for yourselves and your planet!

Dear Ones, over the Holy Land, where the Lives and Experiences of the Master Jesus, the Holy Mother Mary and Our Beloved Saint Germain, as Saint Joseph, were enacted, as well as those of many of the Apostles and Disciples both male and female, there is situated the magnificent, Circular Resurrection Temple. This Temple is a Focus of the Power of Resuscitation for mankind of Earth, as well as for the Animal and Nature Kingdoms, and All Life Expressions who care to Magnetize it, think about it and absorb it by the Power of Thought into their very selves.

The Nature Kingdoms have Used the Power of Resuscitation for many, many ages and the Beloved Ascended Being, the Goddess of Hope, has used it to stir Hope in the Hearts of mankind in Cooperation with the Beloved Maha Chohan and Goddess Amaryllis in the Ushering in of Spring. THERE IS A POWER OF RESURRECTION that is Demonstrated in the sublimation of the hulls of last year's growth.

Here within the Holy Land, we have the Resurrection Flame. It is yours for the asking, it is Mine for the asking, it is for the slightest bird, the smallest violet and crocus breaking through the snow-covered Earth, as well as for the most Earnest-Hearted and Sincere Aspirant, Student, Disciple or Initiate, in the deepest recesses of the Retreats and Radiation Centres of the world. These may be Etherically situated for now, but believe Me when I say, not too far in your future time, you and many others will be able to visit these Radiation Centres in your time and within your physical bodies. That is Why We Are Here and There now, Why This God Plan is here Now! It may take some effort and Commitment and Devotion on your Part, but with that God Comfort Flame Burning within you, that you are now aware of with Greater Wholeheartedness, it shall be down to you how long this will take. You have been told by Lord Melchizedek that it will take around 15 Generations or 300 years at this present rate of raising the consciousness of mankind for all of the People of Earth to Ascend in mass consciousness, but that does not mean it will take 'you' that long if the Inner Work can be completed soon. Time is not a limitation anymore, especially for those Reading or Listening to this.

I Am going to close here for today, however, I want to close by speaking a little more about the New Flag. Only 2 days ago, from within the Core of this Divine Plan a New Revelation was Revealed. And if one can use the **True Meaning and Symbology of the New 'I AM' One World Nation Flag**, which We will go into far more another time, you will begin to Understand why this Flag shall be so important in its Presentation and Symbolic Representations and how it too shall be a **Form of God Radiance and Magnetic Dynamism**. This is what was shared by the Group,

"We each are, of course, the flagpole - our spines are the pole that carry, not only our bodies, but our Essence out into the world - our spines are the conduit for connection to both the Inner and outer worlds - each needs a strong spine (backbone/flagpole) to hold the electrical charge

coming from Shamballa. 'I AM' reminded, of how when Lightning strikes, what happens to the electricity. Some of the charge dances outward seeking ways to ground.

"'I AM' Attaching an image of the Kabbalah, the Tree of Life, that shows the Lightning Electrical strike flowing down from the Ain Soph through each of us as we walk upon this Earth. The Central Pillar represents our Spines/Flagpoles and the portals of reception and distribution, (chakras), that we each are gifted as the Hearts, Hands and Feet upon this Earth to share with All.

"The Flag Displays and Represents the Unity and Diversity held within each Being - a Form Created by the Elements, Irradiated by the Light and Love of the Great Central Sun and each and every one of us held within the Consciousness of the Divinity of the Cosmos. From this Unity each one springs as a 'personification' of the Rays embodied and as a Seed, with the ultimate potential to flower as a Christed Being - each unique, each Unconditionally Loved and each an Image of the Creator.

"'I AM' reminded, in turn of the image of many Flagpoles. This Flagpole is not unique or special. It is just one of many Lightning Rods for the Light of Shamballa. The image expands... The Flagpole could be seen as symbolic of Group 1, the Esoteric Group, cultivating it's capability with the Science of Impression, of Receiving Expanded Information of the Divine Plan, of Reaching to the Higher Realm of Ideas for the Golden Age. The Flag could be seen as symbolic of Group 2, the Exoteric Group, that which goes out into the world, provides information, education, organization. The wind makes the Flag fly, and it's imagery becomes clearer. But without the Flagpole, the Flag has no foundation, no place from which to fly. Without Group 1 and Group 2, The Inner and Outer Circles, have no foundation.

"And the final aspect of this particular image is this. We are learning what it is to be a Living Organism. That is where lives change, evolve, Circles change, evolve. Respite provide space for incubation, for growth, for leaps of change. The shape of the organism, the Circles of the organism, have to change if the organism is to be considered living.

"So, wherever we are, whatever we are doing, it is the Being Within, the 'I AM' Presence, that Irradiates from the Flagpole through the Flag, that has the potential to Bless every Precious Moment, Every Exquisite Soul, Every Beloved Elemental, Deva and Angelic Host, Indeed, All Lifestreams."

Where the 12-Pointed Star, The Sun and the Dove All Represent and Symbolize the Electrical Lightning Influx of the Magnetic Sacred Cosmic Christ White Fire Light Substance from the Great Central Sun.
