

Part 5 - True Constitution Petitions

LIBERATION DAY NEW ANNUAL EVENT DISPENSATION – EGA, 31ST AUGUST 2020

INVOCATION: Beloved Infinite, All-Pervading Presence, Whose Active Intelligence Governs all who look unto You, fill each one who seeks the Light with Your Mighty Inner Light. Hold each one closer and closer in the Great 'I AM' Presence, to Build up a strong Awareness of Divine Consciousness Universally Present by Means of Sincere Praise. To Reach Inward to Divine Consciousness in the Silence and Stillness, Inviting it Lovingly to take Possession of our Mind and Heart. Mighty Power of Cosmic Christ Love, Draw That which is of Cosmic Intensity Into each One of Us, our own Lifestream to Be the Illumination and the Greater Power of Accomplishment That Co-Operates with the Great Onward Expansion of Life's Perfection.

THE ELEMENTAL GRACE ALLIANCE COUNCIL, THE HUMAN CONTINGENCY: - It is with Joy We return Together to continue with this Petition again today. A Question has risen; *where did this 'True Constitution' begin to develop within the minds of the Elemental Grace Alliance?* To answer this question, as to when it was, we must say around 80 years ago within the Chambers of Shamballa at a Higher Level, however, the first time the EGA, that is we the unascended human beings heard about it, was in a Discourse by Master Djwhal Khul, '12 Divine Economy Two Groups Two Activities Two Functions Master Djwhal Khul 20191211'.

Before this time there have been facets of so many Discourses that could be cited, however this one was the first that really set into Motion a more comprehensive approach bringing it to where it is today! What is remarkable however, is that Master DK even told Us that we had an Opportunity that would manifest this idea of a **One World Nation** within one to three years. It has not been a year yet, but then again, the '**I AM' One World Nation** has not yet been made manifest, in terms of a physical Communication Centre, be it Website or World Headquarters. Here is what Master DK shared on the 11th December 2019.

"A man or woman can truly meditate when they begin to use the mind, the reflection of the Will Aspect and employ it in its three aspects: as Initiating his or her entrance into the World of Souls, as conditioning his or her personality life and as enforcing and eventually bringing about a Full Expression of Soul Purpose. This can be understood in its entirety once an individual, or now as a Group Unit has reached the levels of Higher Consciousness within the Cave of Creation. This results in the complete overcoming of Death. I Am bringing this whole concept down into terms of the microcosm, even though it will be obvious that only the Pledged Disciple or Initiate in preparation for Initiation can begin to grasp some of the significant Higher Implications. I shall leave this here for you now to also ponder for greater Comprehension, Appropriation and Application.

"Now, there is being established in this Group, by the Hierarchy, in Co-Operation, or perhaps I should say, with your Assistance, Two Inter-Related but Independent Activities.

“THE FIRST ACTIVITY GROUP NUCLEUS, We will call The Elemental Grace Alliance - One World Nation (your Creation Dear Souls, not Mine), which will be analogous and a definite Constant to the Movement of the Energies, the Movement of the Consciousness so in the Combined Two Groups can be Implemented according to Their Specific Functions. Here in this Centre or Nucleus (World Headquarters) will be where the Higher Interlude, Intermissions and Intervals can be known and partaken of, prior to the outgoing Movement of Any Service. This then will concern Itself primarily with the Movement of the Wisdom down into the body of humanity via this Living Organism Service Activity of the overall Group Life, both Groups, both individually and collectively in each of its combined Synthesized Membership. This EGA One World Nation, as a Centre Living Framework of Synthesis, when at their physical location, (the same location or alternative locations of both Group Centres), will Rightfully Activate and Implement the Combined Core Group Service, by Focusing the outward moving Impulses, having passed through the Inner Cave, as They Flow down from the Higher Interlude into the three worlds of human endeavour, the Mental, Astral and Etheric and into the world of affairs. This Activity Constitutes the next Training Centre which We discussed in brief previously. It is that of the New Synthetic Centres, the Core of the Ashramic Living Organism of Synthesis Group Life, which will Constitute the Central Core for ALL Administrative Activity of the overall Ashramic Group Life of the Two Groups, which is for this Specific Divine Plan for the EGA and other World Groups to follow in due course.” End Excerpt.

The difficulty herein, was at this time of the Development of the EGA, was that there were many Members who were not ready to make certain decisions as to their own personal Group Participation and Group Effort to follow this Conscious Will Aspect. There was also a partition of the same, within the St. Germain Alchemy Classes which also allowed for the bleeding of Energies into other directions, which were not confluent with both of these Opportunities. So, as you will Know Dear Hearts, the EGA had to be divided into those who wished to follow this First Activity, Group Nucleus and those who felt that this was not for them. However, with care and constancy, less than 10 Dear Souls in the New Core Group, took it upon themselves to hold True to this potential and the result is what lays before you today! This is also an explanation here for these Dear Souls within the EGA who know nothing of this Activity before now.

The Core Nucleus Group took this approach in Accordance with the Cosmic Laws of Alchemical Manifestation that St. Germain so clearly outlined to us, that the least amount of people who knew of this Desired Manifestation the better. Notwithstanding, all Members of the EGA at the time had Equal Opportunities and thus responded in their own ways in accordance with their own ‘free will’, which is also Cosmic Law enacted!

St. Germain gave us this information to follow in His Discourse ‘2 Transformation Alchemy Class Understanding Is The Focus St. Germain, 20200531’.

“I will give you an exercise by which one may develop, consciously control and direct their visualizing activities for definite accomplishment. There are several steps to the process which every Disciple or Initiate can use at any and all times. The practice does bring visible, tangible results when really applied.

“The first step is to determine upon a definite plan or desire to be fulfilled. In this, see that it is constructive, honorable and worthy of your time and effort. Be sure to examine your motive

for bringing such a creation into expression. It must be honest, both toward yourself and the rest of the world, not merely to follow a whim or gratify appetites of the physical senses. Remember there is a vast difference between Use, Desire and Appetite. 'Use' is the fulfilling of the Great Universal Law of Service. 'Desire' is the expanding activity of God through which manifestation is constantly sustained and is Perfection enlarging itself. 'Appetite' is but habit established by the continued gratification of the feeling nature and is, but Energy Focused and Qualified by suggestions from the outer activity of life.

"Be very sure that there is no lurking feeling within that you would be glad to benefit at the expense of another. A 'True Disciple or Initiate' and only such a one will get the benefit out of this kind of training, takes the 'reins' into their own hands and determines to discipline and consciously controls the human self. They choose what shall or shall not be in their world and through the process of picturing within their mind designs and brings into manifestation a definitely determined Plan of Life.

"The second step is to state your plan in words as concisely and clearly as possible. Write this down. Thus, you make a record of your desire in the outer, visible, tangible world.

"The third step is to close the eyes and 'See' within your mind a mental picture of your desire or plan in its finished, perfect condition and activity. Contemplate the fact that your ability to create and see a picture within your own consciousness is God's Attribute of Sight Acting in you. The Activity of 'Seeing' and the power to 'Create' are attributes of your God Self which you 'Know' and feel is within you at all times. God's Life and Power are Acting within your consciousness to propel into your outer world the picture you are 'seeing' and 'feeling' within yourself.

"Keep reminding the intellect that the ability to picture is an attribute of God, the Attribute of Sight. The Power to feel, experience and associate with the perfected picture is God's Power. The substance used in the world without, to make the form in your picture and plan is God's Pure Substance. Then you must 'Know', God is the Doer, the Doing and the Deed of every constructive form and action that ever has been sent forth into the world of manifestation. When you thus use all the constructive processes, it is impossible for your plan 'not to come into your visible world.'" End Excerpt.

"Within the description that Master Djwhal Khul gave us regarding the Second Group, we began to see the importance of truly establishing the Core Nucleus Group first, looking back it more naturally we understood and acted upon that any firm conscious decision on the Core Group's part! So, when DK says below "Realize that if you can be yourselves, in Consciousness and in Instrument, in Tune with these Precipitating Energies, these Centres will naturally and normally manifest". We can understand with greater clarity and have learnt a valuable lesson when it comes to the difference between these 2 activities and Group purpose. Here is DK's description of the Second Group.

***"THE SECOND ACTIVITY GROUP NUCLEUS,** We shall call 'The Soul Life-Force - Sun Of Even Pressure Council. This Framework of a Living Organism shall be that Spiritual Centre (World Headquarters), will be established, on a physical location, (same or otherwise) where the Aspiring Disciple and Initiate can easily find and Encounter the Higher Interludes, Intermissions of Intervals where Spiritual Experience, Spiritual Acquisition and I might say, prior to his or her*

movement out into the body of humanity in Service in the fields of training, education and teaching will occur!

“They will Minister to and Facilitate this Function. It is vitally important that the Two Activities, via these Two Groups, be understood in the beginning as being both Inter-Related and Independent of One Another, in order that each can more Perfectly Perform its own specific, precise and meticulous Function.

“It is hoped that within a one to three-year period it will be possible to train a sufficient number of Membership to Facilitate the Functions of ‘Both’ Centres, of ‘Both’ Activities, without utilizing the same Members in both Centres. Until that time, it will be necessary for the same Disciples and Initiates (Members) to carry out the Two Functions, which necessitates, even more than would otherwise be necessary, a Complete and Willing Understanding within their own Consciousness of the differentiation between these ‘Two Functions’, so that each are able to adjust their own Inner Movements, their own Subjective Life and the Frequencies of Their Own Instrument, to that of whichever Function they are Serving at any given time.

“Both Centres or Activities will be Constituted of a Divine Synthesis of the Energies with which you must be familiar, a Synthesis of Rays One, Two and Seven, the only difference being that the One Function would be the Inward Movement of the Energies into a Point of Focus for the Purpose of Expanding the Consciousness of those who will be Magnetized and Attracted, as other Disciples and Initiates, into its Sphere of Influence; while the other Function or Activity will be an outward movement of the Energies to Expand the Consciousness of humanity as a Whole into those Basic Concepts of the Divine Plan in this time and place.

“Certainly, in the beginning, the Activity with which you will be most concerned will be that of establishing the Central Group World Headquarters for the overall Group Life; this in the outer objective world of affairs. However, it is also necessary that you give a certain amount of time, effort and Energy each day to the Creating, by the Forces of Light, of the more Exoteric Centre, Group 2 above, which is to constitute the training ground, realizing that you are at this time the objective vehicle through which the precipitating Energies of those New Centres are moving into outer manifestation.

“A question is being asked:

“Do these two Groups or Activities, these Functions, pertain to that which is analogist to the sharing of Master John the Baptist, (2 GESARA Paying It Forward Concept Above The Principle John The Baptist 20190625), where He described the different Viewpoints of how two Levels of Hierarchical Consciousness see humanity! i.e. From the Great Divine Director’s View, seeing you as Souls within an Ashram or of an Ashramic Consciousness and the Masters Who are of a Position lower than His Own, in how They see you (human Disciples and Initiates) as incarnating focuses of consciousness within your own brain, where You the Masters are attempting, endeavouring, making every effort, for us to find our Soul-Identification, to become Soul-Focused, to become Soul-Active?

“The answer to this very well-crafted question is - YES! These Two Centres, Two Activities, Two Functions could indeed be likened to this analogy of sorts and will most definitely help you to understand the differences that I have alluded to above! It can also be said that One Group Centre is based upon the Esoteric Higher Knowledge and the Other, The Exoteric lesser

Knowingness respective to the lesser visions and lower more integrational applications of training in the question!

“Realize that if you can be yourselves, in Consciousness and in Instrument, in Tune with these Precipitating Energies, these Centres will naturally and normally manifest. Contacts, various Opportunities which at this time, I do not wish to clarify right at this moment, but should be obvious to you, will be presented or placed before you by the Forces of Light, if you are able to maintain your own Aspirations and Alignments as a Combined Unit toward the Creative Construction of these Groups with the Precipitating Energies of the Inner Cave of Creation, which are moving through you. Realize that this Effort is a Hierarchical Effort, that it is already Created within the Buddhic Sphere, that it Over Lights you both in Consciousness and in Form, in Consciousness and in Plan.

“Be it known now however, that due to the physical Creation of the EGA, using its Formulas, Templates, Techniques and Methods of following the Cosmic Laws to date, as I have shared in Part 10, there is now room for Greater Dimensionality Decisions to be made within the Hierarchical Creative Overlays, that will make some very positive changes and corrections for Groups that are already formed as well as future Groups to follow. As you become more receptive to the Energies which Precipitate that Consciousness and Plan into manifestation, the Forces of Light on a horizontal level, who are also responding to this Effort, can now Co-Operate with you to produce whatever is needed in the physical sense for the completion of the manifestation itself.

“Do not attempt in your own thoughts to formulate, to determine, to manifest, but be receptive to the manifestation of the Plan for these Centres, by simply responding to those Opportunities which will be placed before you. When one or more of you meet with such an Opportunity, get in touch immediately within these Interim, Intermission and Interval times, with both Groups, so that Group Co-Operative Action, Group Response, can be Appropriated and Implemented. When the time comes, as the Activities and Functions become more specifically Orientated, such Opportunities will relate only to the Group that the Members belong!

“Be mindful then of all outer ‘Contacts’ that come before you or who are being Impressed upon your minds to actively move toward! The Sounding of the Group Note will aid and speed up this Forward Movement which will allow for your intentional attentions to these contacts to bring them into Alignment with your Ashramic Group Life. **Every Member of this SOEPC will be Responsible to Actively stay Alert and Dynamically Enthusiastic in this Process. It is VERY IMPORTANT that you All understand the depth of this Instruction if you are going to prove successful in this Central Core Headquarters Endeavour and Creation.** Without Focused and Mindful Openness to such Opportunities that will be given to you, as Lady Portia outlined in her recent Discourse; ‘4 ENACA Trust Must Be Earned Lady Portia 20190809’.

“While you have the Opportunity on Earth, Opportunity in your family life, Opportunity in your business world, Opportunity in your Group Activity, to make things right with each other, make the path easier for each other and to make it more possible to reach each man and woman to fulfil their Mission, **In The Name Of Your Soul, I Implore You, To Do All That That Opportunity Affords You For Your Own Peace Of Mind And Heart.** Any missed Opportunities that are

presented to you can only mean one thing: a delayed Evolution upon your own Ascension Program.

“The Central Nucleus Core Group through both Activities outlined above, will just move forward naturally and harmoniously once they reach 7 Unified Members within the Inner Group Cave. This is the Prime Objective right now.” End Excerpt.

It is very clear to Us now that when being cognizant of what is being placed before us, just the forward movement through Discipline, Commitment and Devotion to the Service, we have and will continue to provide for, everything we accept as a Mission or task to Manifest, must and does fulfil its own Universal Expression. This is a huge learning curve for all of us here upon the Ground. We have maintained our own Aspirations and Alignments as a Combined Core Nucleus Unit in this case, toward the Creative Construction of these Two Groups with the Precipitating Energies of the Inner Cave of Creation, which are moving knowingly through us. And we do Realize that this Effort is a Hierarchical Effort, that it is already Created within the Buddhic Sphere, that it Over Lights us all in both Groups both in Consciousness and in Form, in Consciousness and in Plan when the United Forcefield becomes more in alignment through Group Participation, Group Unity in Group Endeavours.

Before we go to the next Discourse, it is also a huge Joy and Honour in Accepting every Opportunity given forth and in Love. This **‘True Constitution’** has also Honoured Beloved Master Djwhal Khul’s Invitation for the EGA to Create a **New Annual Event** to Enter into a Joy Filled **Celebration of the New World Servers**. In the same Discourse that Invitation was handed to Us to accept or not and so in Love, Wisdom and Joy We Accepted that Gift, Constituting and Consecrating it, herein This **‘True Constitution’**. We Call it **‘LIBERATION DAY’!**

Liberation from what you may ask.

Master Djwhal Khul from the Alice A Bailey Book, *‘A Treatise of White Magic’* or White Alchemy!

“The astral plane is the plane of illusion, of glamor, and of a distorted presentation of reality. The reason for this is that every individual in the world is busy working in astral matter, and the potency of human desire and of world desire produces that constant "out-picturing" and form building which leads to the most concrete effects of astral matter. Individual desire, national desire, racial desire, the desire of humanity as a whole, plus the instinctual desire of all subhuman lives causes a constant changing and shifting of the substance of the plane; there is a building of the temporary forms, some of rare beauty, some of no beauty, and a vitalizing by the astral energy of its creator. Add to these forms that persistent and steadily growing scenario we call the "akashic records" which concern the emotional history of the past, add the activities of the discarnate lives which are passing through the astral plane, either out of or towards incarnation, add the potent desire, purified and intelligent, of all superhuman Lives, including those of the occult planetary Hierarchy, and the sum total of forces present is stupendous. All play upon, around and through every human being, and according to the calibre of his physical body, and the condition of his centers will be his response. Through this illusory panorama, the aspirant has to make his way, finding the clue or thread which will lead him out of the maze, and holding fast to each tiny fragment of reality

as it presents itself to him, learning to distinguish truth from glamor, the permanent from the impermanent and the certainty from the unreal.” End Excerpt.

We will begin soon to follow DK’s Points to provide a **New Formula of Approach** through Spiritual Integrity and Implementation, to amplify such Points made above into a Manifested Form for All World Groups of New Servers to Rightfully Use in All Applications to All God Life.

Here is that Encouraging Opportunity by DK to the EGA.

*“Yes, indeed, the Celebrations of the New World Servers every 7 years plays such an important Part within the Growth and Development of Group Unity, not just any single Group of Unified Individuals, but far beyond that of many hundreds of Groups, not necessarily all conscious of such Group Unification as others may be! It takes time Dear Souls to Implement such Unification of Minds, Bodies and Souls and as you now know, the Implementation of this Higher Knowledge and Wisdom has taken 80 years or so to reach this point! It would not be so, if a decision were not made by the Hierarchy to Create a Unified Group Awareness through All New Groups as they come into manifestation. We chose every 7 years to align with the Ray Seven, The Ray of Celebration, Transmutation and Divine Magic, so what better way to Unite and Expand in that Unification than Celebrating the Glory of Truth, Love and Knowledge on a more regular basis, just like the Wesak Full Moon Celebrations. **I would like to place this before you now, an idea and New Plan if your like, that before the next 7 years is up, that these Celebrations of the New World Servers become an Annual Event.** You hear this for the first time here in the Elemental Grace Alliance. I will ask you then as an additional measure of Greater Awareness to look at these Points in this list and to contemplate how you may through Spiritual Integrity and Implementation, amplify such Points into manifestation of All World Groups of New Servers. You are in an advantageous position Dear Hearts. Ponder on this, but do not take too long about it!! You are being offered First Option to do this. Others will promptly follow, now the Idea is within the Conscious Thoughtform Forcefields within the Inner Caves of Creation. You already have the Information at your fingertips. How will you respond?? End of Quote.*
