THE ELEMENTAL GRACE ALLIANCE COUNCIL, THE HUMAN CONTINGENCY: - This morning as this Part 4 was being contemplated, a Silence descended where the question was asked, so what can we share in this Closing Discourse that would provide the greatest impact upon those Dear Human Souls who may join this Mighty '**True Constitution**' and '**I AM**' **One World Nation**? Just a few moments later another EGA Dear Soul shared that she had been Guided to share something this morning! That sharing was from Our Beloved Master Djwhal Khul, Who is One of Our most Communicative and Obliging Sponsors within the Elemental Grace Alliance Council and the Sun of Even Pressure Council. So, without further ado, that reading is included here. And all those Masters Who offer their Guidance and Support, We Give Praise and deep Gratitude for every step of the way and for the lessons we receive with such Love, Wisdom, Understanding and Patience. God Bless You All! Your Presences' are ever Welcomed and Appreciated!

In the Book, '*A Treatise On White Magic Or The Way Of The Disciple*' By Alice A. Bailey Copyright © 1951 By Lucis Trust Copyright © Renewed 1979 By Lucis Trust, Beloved Master Djwhal Khul shares this with us that we can interpret as totally related to this '**True Constitution**'. And for we are Grateful! We also Acknowledge and Understand that this Discourse from Master DK was given some 65 years ago and through many other Masters and Teachings of recent years much has moved forward since then, yet the Truths within His Words remain unchanged, even to this day!

What lies ahead in the immediate future for the group?

First of all, a preliminary period of emergence into the public consciousness and thus of making its presence felt. This will be done through the steady communication of the new ideals and the constant emphasis laid upon the essential oneness of all humanity. It will be the result of the uniformity and inclusiveness of the note sounded by one here and another there. During

this stage there must be no hurried work and no precipitate action of any kind. The growth of the group and of its ideas will be slow and sure. The group exists already. It has not to be formed and organised and there is therefore for none of you the assuming of any sense of responsibility nor the organising of any activity desired to lure these disciples, who have chosen thus to work subjectively, into publicity. Such are not the methods approved by the Elder Brothers of the race, nor is it the way that They Themselves work.

Know each of you for yourselves whether you stand for the new position, the new attitude towards work and for the subjective method. Decide once and for all whether you prefer to work in the old exoteric ambitious manner, building and vitalising an organisation and so producing all the mechanism which goes with such a method of work. Remember that such groups are still greatly needed and are useful. It is not yet the new age and the little ones must not be left exposed to the new forces, nor turned out bereft of the nursery to which they naturally belong. Should the new mode of work appeal to you, see to it that the personality is subordinated, that the life of meditation is kept paramount in importance, that sensitivity to the subjective realm is cultivated and any necessary outer activities are handled from within outwards. Avoid a purely mystical introspection or its opposite extreme, an over-emphasised organising spirit, remembering that a life of truly occult meditation must inevitably produce outer happenings, but that these objective results are produced by an inner growth and not by an outer activity. An ancient Scripture teaches this truth in the following terms:

When the sun progresses into the mansion of the serving man, the way of life takes the place of the way of work. Then the tree of life grows until its branches shelter all the sons of men. The building of the Temple and the carrying of the stones cease. The growing trees are seen; the buildings disappear. Let the sun pass into its appointed place and in this day and generation attend ye to the roots of growth.

Little groups will spring up here and there whose members respond to the new note and whose growth into the world group will be watched over by one or more working disciples. But these latter do not organise the groups; they grow as a man in this place and another in that place awakens to the new vision or comes into incarnation in order to take his place in the work and bring in the new era. These groups will demonstrate no sense of separateness; they will be unaware of personal or of group ambition; they will recognise their unity with all that exists and will stand before the world as examples of pure living, constructive building, creative activity subordinated to the general purpose, beauty and inclusiveness. Perhaps in the early stages of integration, the words friendliness and cooperativeness best describe them. They are not interested in dogmas or doctrines and have no shibboleths (a custom, principle, or belief distinguishing a particular class or group of people, especially a long-standing one regarded as outmoded or no longer important). Their outstanding characteristic will lie in individual and group freedom from a non-critical spirit. This non-criticism will not grow out of an inability to see error, or failure to measure up to an idea; falsity, impurity and weakness will be recognised for what they are, but when noted will only serve to evoke a loving helpfulness.

Little by little these groups will come to know each other and to meet with one another at set times and places. They will come to these mutual conferences with no desire to impress one another and with no thought of relative numerical strength; they will demonstrate no ambition to increase their ranks. How should they when they know themselves all to be

members of the one world Group? They have no teaching to give of a doctrinal nature and will not seek to demonstrate learning. They will meet solely to discuss modes of world helpfulness, the formation of a platform so universal and composed of such basic truths that it can be presented under all the varying methods and utilise the many terminologies.

They will endeavour to employ each other's terms and to familiarise themselves with each other's approach to reality and symbology. Little by little also the special contribution and note of each group will be recognised and where a need exists for just that special approach and the particular note or method of interpretation in any part of the world, there will be an immediate and united impulse to facilitate the work that that special group could do in that place.

These groups, with the one subjective group of conscious living souls behind them, will be too busy with world service and interests to waste time on trifling nonessentials. They will not have the time to play around with group names and insignia and badges and the technicalities of fraternities when they meet together. World needs, world opportunities and the rapid development of the consciousness of mankind and the initiation of humanity into the spiritual realities will so engross their attention that they will have no interest in purely physical plane arrangements, nor in laying the emphasis upon their own personal growth. They will be well aware that response to world need in service and the life of focussed meditation will promote their growth. Their eyes are not upon themselves, upon their own good characters, or upon their individual accomplishments.

Later as a result of their telepathic relationship and their united conferences, there may emerge certain esoteric groups and schools for development in order more rapidly to equip them for world service. In these schools' modes of meditation, the intensification of vibration and the laws of the universe will be taught and the right use of colour and of sound. But all will be subordinated to the idea of service and the uplift of humanity. Also, the schools referred to in Letters on Occult Meditation will gradually come into being. But what use is it for me to forecast the future in more explicit terms and hold out a picture of an intriguing quality when at the present time the integration of the group of world mystics and its close welding is not an accomplished fact?

World unity, brotherhood in its true sense, the growth of telepathic interplay, the elimination of the non-essentials which serve to separate the thoughts of men and bring about separateness on the physical plane and the laying of a true emphasis upon the fundamentals of the Ageless Wisdom, the manifestation of a true understanding, the bringing about of at-one-ment with the soul, the recognition of those who belong to the group of world Saviours—this is the immediate work to be done and this must engross your attention.

This and this alone warrant the expenditure of all that any of you have to give—love and life, time and money. This and this alone justifies your existence and calls forth from all of you who respond to the vision that utter self-sacrifice which is so rare and so far-reaching in its effects. The casting of all that one has at the feet of the Lord of Life in order that the work of world salvage may go forward, the elimination out of one's life of all that can possibly hinder, the giving of all that one has until it hurts to give, the ruling of one's life on the basis of surrender, asking oneself all the time: What can I relinquish in order that I may help more adequately?

That and more than that lies ahead of all of you who hear the call and respond to the need and opportunity.

Let me tell you this—this group now in process of becoming, will in time develop its own ‘yoga’ and school of training which will gradually supersede that of the raja yoga and bhakti yoga schools. The method of training will only be given to those who have trained the mind and learnt to control the emotions. Hence the key to what is now going on. The mode of training will be no easy short cut to the goal. Only the intelligent can attain it and only coordinated personalities will be eligible to the teaching. The keynote of the new yoga will be synthesis; its objective will be conscious development of the intuitive faculty. This development will fall into two categories: first, the development of the intuition and of true spiritual perception and secondly, the trained utilisation of the mind as an interpreting agent.

In the book Agni Yoga, some of the teaching to be given has filtered through but only from the angle of the will aspect. No book has as yet made its appearance which gives in any form whatsoever the ‘yoga of synthesis’. We have had ‘bhakti yoga’ or union through devotion. Raja Yoga is now receiving emphasis, which is union through the mind. It sounds like a redundancy to speak of union through synthesis, but it is not so. It is union through identification with the whole—not union through realisation or through vision. Mark well this distinction, for it holds the secret of the next step for the personalities of the race. The Bhagavad Gita gives us primarily the key to the yoga of devotion.

Patanjali teaches us the yoga of the mind. In the Gospel story we have the portrayal of realisation, but the key or the secret of identification is still withheld. It lies in the custody of a few in this integrating group of mystics and knowers and will be brought out into manifestation in the furnace of their individual experience and thus given to the world. But the time is not yet. The group must grow in strength and knowledge and in intuitive perception.

You ask me: What keeps a man from becoming a member of such a group? I tell you with emphasis that four things only keep a man from affiliation.

First: an uncoordinated personality. This involves necessarily an untrained mind and a feeble intellect.

Second: a sense of separateness, of distinction and of being set apart or different from one's fellow men.

Third: the possession of a creed. No matter how good a formula of beliefs it may be, it inevitably produces exclusiveness. It bars some out.

Fourth: pride and ambition. You ask again: How shall one qualify? The rules are simple and are three in number.

- 1. Learn to practice harmlessness. Self or any other person or creature.*
- 2. Desire nothing for the separated self and*
- 3. Look for the sign of divinity in all. Three simple rules, but very hard to accomplish.*

Behind this group of mystics, which includes thinkers in every department of human thought (let me reiterate the word thinkers and of human knowledge stands the Hierarchy of Masters and in between these two groups also stand a band of teachers, of whom I am one. These act as intermediaries and as transmitters of energy. May I repeat and beg you to attend, that this group which is slowly forming is gathered out of every imaginable group of thinking and intelligent men. As yet and this may surprise a few, there are not very many occultists (so-called) among them.

This is due to the fact that the occultists are numerically few in relation to the masses of humanity and also to their tendency to be sectarian, exclusive and self-righteous. Selfless humanitarian workers are there; political leaders and economists and scientific workers in the world's laboratories are also there; churchmen and religious adherents from all the world religions are there and the practical mystics and a few occultists. The true occultist is rare.

*The group is and will be kept entirely subjective. Its members are linked telepathically, or they recognise each other through the quality of the work they are doing in the outer world and the inclusiveness of the note they sound. It is inspired from above by the souls of its members and the Great Ones and is energised into activity by the need of humanity itself. It is composed of living conscious souls, working through coordinated personalities. Its symbol is a golden triangle enclosing an even-armed Cross with one diamond at the apex of the triangle. This symbol is never reproduced in form at all. It shines above the heads of all who are in the group and cannot be seen by anyone (not even a clairvoyant) except a group member and then only if—for purposes of work—his recognition needs stimulation. The motto of the group is **The Glory Of The One**. End Excerpt*

Beloved and Esteemed God Beings, Masters and Members of this Elemental Grace Alliance Council, herein Watching and Listening, we tell You that we have made a grave error in our assumption that this Petition was needed by us, to ask for Divine Permission to Ground and Implement the **'True Constitution'**! It is obvious now to us, that the Petition for this New **'True Constitution'** was Granted its Dispensation, probably around 80 years ago within the Chambers of Shamballa and it is just that we the Dear Humans, through our Devoted Service to this Divine God Plan, mis-interpreted this need. *Is it simply Our responses to such a Plan whereby we have needed to Prove Ourselves of Our Devotion and Commitment and receiving such Grace to be able to Interpret such an Original Design?*

Is this Representation of the Original Plan Design or Template that is now before the Karmic Board of Directors in its Individualize Expression by unascended human beings, sufficiently accurate in its Manifested Form Presentation to what the Original Ideal Impression were given to us since the Inauguration of the Elemental Grace Alliance?

Right now, through lack of Greater Awareness we can say, in all honesty, that **'This Is Not a Petition'**, not the one intended at least! Perhaps we can determine another perspective through these Discourses that will help humanity remove further, certain obstacles that continue to suspend, misdirect and hold human progress, individual and group, in a continued abeyance of Higher Truth, where that, which is Spiritual, is not yet Fully Embraced, Used, Desired or has sufficient Appetite?

Another question has risen, *'Is there another Petition awaiting in the Ethers to help reform the Cosmic Laws in Light of what has transpired?*

So, if This Is Not A Petition, perchance it is another Divine Opportunity for something else that is presently awaiting humanity within the Buddhic Sphere and Ethers that could pave the way for even Greater Things to come?

With Deep Sincerity these thoughts come to mind.

- In the Discourse *'3 ENACA Petition Explosion of Consciousness Maha Chohan 20190718'*, Our Beloved Maha Chohan brought to our attention the potential of giving a certain amount of Proof of the Work that human does that up until now may not be seen by us. Many times, the Masters have said to us, *'the world is changing but as yet, you are unable to see the result due to your levels of human consciousness'*. Although The Maha Chohan was referring in this Discourse, to another subject matter, could the same not be said for many things that world groups are presently doing for and on behalf of mankind. He Said,
"To close now, with all that I have shared above, I wish to speak very briefly of the matter at hand whose focus is the clean-up of nuclear and chemical imbalances. We can now enter into the deeper Action the Law permits, upon Us!

"I respond with a question or two.

"Would humanity not benefit in the long term to see that their efforts in cleaning up a certain amount of such things as Nuclear fallout, radio-active contamination or chemical destruction?

"Would humanity not be inspired to stretch their rubber bands to breaking point, if they saw with their own eyes that their Invocations and Decrees were actually making a difference?

"This is possible today as the Elemental Grace Alliance has been Granted the Dispensations that warrant such clean-ups and who on the behalf of humanity have honoured the Cosmic Laws to open the floodgates to pass beyond the barriers of non-compliance by human beings in general." End Excerpt

- Nuclear waste clean-up is one thing; however the question is asked, *how could Shamballa, Hierarchy or Humanity show proof of the final 'True Constitution', in a way that could Create a Physical Seal of Approval and not just Impressions through the human consciousness?* It was Beloved Lady Portia who said in her Discourse in the same Series *(4 ENACA Trust Must Be Earned Lady Portia 20190809)*.
"Beloved Ones remember the Law of Cosmic Justice, that says, no Soul can be denied Opportunity When That Soul Asks For It! No unascended group of lifestreams can be denied any Opportunity to render any Service (even the seemingly most fantastic), If They Ask For It. We have given you Opportunity and you have Accepted it. The Service which has been rendered to both those who have passed through the change called death, passed through the challenges of life to place them before their own 'I AM' Presence, as well as those who are coming into embodiment, is the proof of what Opportunity can do when it is Accepted in a firm hand-clasp of Divine Obedience to

Their Own 'I AM' Presence and Those of the Higher Realms in Brotherhood and Sisterhood.” End Excerpt.

Is this one of those Opportunities?

Speaking of Beloved Lady Portia, may we ask this Question? In Discourse (9 ENACA Petition Guest Speaker Digital Libraries Of Consciousness Lord Jesus 20190803). Lord Jesus shared this with us,

“The New Children upon the Planet cannot afford to be corralled within any mightier deceptions of false power and limitations. This single choice alone can place the Evolution of Humanity here on Planet Earth back into their ‘Natural Time Cell’, but also as Beloved Myra has shared with you, it will allow for the complete dissolution of time so that humanity as a New Species of the Adam/Lilith Kadmon Race, will fulfil its Own Destiny to Live in the Perfected State of the Now Moment expressing the ‘I AM’ Presence within EVERY Pulse of Life Choice!

“Now remember, ‘I AM’ an Authority to the Earth as one of the Chohans and the Chohan of the Golden Ray. Your Beloved Saint Germain is an Authority to the Earth, as is the Great Goddess of Justice Who will shortly take Her Hand in International Affairs and reveal what God’s Justice to Life means and reveal that to man.

“The ignorance of mankind must be consumed, My Dear Ones; and their denial and defiance of the Cosmic Beings Who have Created this World and Who are the Redeemers of this World and Who are the Sustainers of this World, are no longer to be denied by human beings who are bound in the darkness of their own mistakes.

“I want you to know that, so you can face the future with the Authority of Eternity, with the Power of the Great Command, with the Love of God’s Heart and with Freedom to Life.” End Excerpt.

Is it possible that The Divine Clemency Dispensation, that of One-Third Participation having been received by the EGA, that this **‘True Constitution’** could offer a Doorway for you to come forth in a way only you will Know? That Doorway that the Great Divine Director explained in the previous Part 3?

“Your consciousness is heavy with limitation. It is heavy with the interpretations which you yourselves have given to your experiences. It has yet to Realize that Alignment which supersedes any possibility of interference insofar as the working out of the Plan is concerned. The Hierarchy, the Light of Wisdom, the Light of Understanding, the Light of Love, Over Lights humanity today and Seeks Entry into the three worlds, yet it Seeks a Doorway through which it can enter into the three worlds of human endeavour. That Doorway will be a Group - a Group whose Consciousness is so Completely Aligned with the Plan that such things as human frailty, human mistakes, though they be made, cannot interfere with the Building of that Doorway.” End Excerpt.

- Finally, the Karmic Board of Directors as does all the Masters and other Divine Intelligences know that at this time the Elemental Grace Alliance human Membership is relatively divided and that the Core Nucleus remains as a Group of less than 10. You

will know also that we have given great import and conscious considerations as to how to support the Growth and Development of the Second Group. Over the next day or so, an intensive movement is being Initiated toward a Greater Group Awareness of the Laws of Group Life. Once the response has been received and the **'True Constitution'** if agreed to go ahead on the 17th September 2020, the EGA shall then need greater physical resources to apply itself in all directions outlined in all 4 Petition Discourses. Is there another Opportunity here for Greater Service to Humanity in these New Endeavours throughout the World?

We the Elemental Grace Alliance Ask for All these things, but Only in Accordance with God's Will and that which the Cosmic Laws shall allow. And So It Is!

Beloved and Esteemed God Beings of the Light of Our Father and Mother, we now step back, having presented everything to the Karmic Board of Directors to deliberate upon the words shared throughout this **'True Constitution'** Entreaty to proceed or not.

May We share this Benediction with Humility, Reverence and Joy to be Human Beings, Entrusted with such Deep and Everlasting Responsibilities to Serve God, Humanity, The Elements, Elementals, Devas and Angelic Host and All of God Life throughout this World, Solar System, Galaxy, Universe, Cosmos and Beyond! Honour, Humility, Joy and Sheer Divine Blessings are more than words could ever define at this moment!

Thank you for Listening and we look forward to your Response or Responses after your Deliberations in due course.

'I AM' That 'I AM', Here and There for

'The Glory of The One' - 'Gloria De Deo Uno'

BENEDICTION: Omnipresent, Omnipotent, Almighty Creator, You Are Our Life Force Energy, Our Divine Source of Love, Wisdom and Power, Whose Three-Fold Flame Illumines Our Mind, Strengthens Our Resolve and Enlivens Our Hearts. We Are Open to Change For the Benefit of Ourselves and For the Good of the Whole. We Lovingly Embrace the Truth of Who We Truly Are As Light. We Are So Grateful For the Unconditional Love and Assistance We Are Given as We Unfold Into the Knowledge That We Are Here To Create Through Divine Alchemy So We May Better Fulfil Our Service to Ourselves and Humanity.
