'I AM ACTIVITY' OF THE SAINT GERMAIN FOUNDATION

DISCOURSE 17 OF 20, JANUARY 18, 1959

CHICAGO, ILLINOIS

## BELOVED SAINT GERMAIN

My Beloved Family of the Violet Consuming Flame, My Beloved Family of Eternal Freedom, My Beloved Family of the Defenders of the Light, I want to thank you with all My Heart for your determination to stand, face, and conquer, and to release the Power that does master the hordes of evil. And I assure you, there is not a Blessing that Love can give that We will not pour to you as you remain steadfast to the Beloved 'I AM' Presence and the Ascended Host in your determination, and Their Determination, to move throughout this Land that is the Heart of the World, the Land of God's Heart, and compel the hordes of evil to cease existence.

When anything bothers you from within, do not let it build to a momentum; but seize it on the first manifestation or the first indication that it wants to create trouble for you. Give it no quarter. Seize it and demand the Cosmic Beings' Sacred Fire Annihilation of everything that seeks to disturb you, everything that is of human creation. Demand its Annihilation from within first; and then as you call these Activities of the Sacred Fire into outer physical conditions to control those conditions, you will have already insulated yourselves within the Sacred Fire that keeps you untouched by the conditions in which you must move.

Now in this, which needs to be watched constantly, that you do not accept destructive conditions in the world around you, regardless of the appearance, in your determination to be released from all evil, you are the Commanding Authority. You are the Power of the Will to turn away from that which is disturbing and entering into the Sacred Fire Presence of your Beloved Mighty 'I AM' and the Higher Mental Body, demand your disconnection from anything that is of disturbance in the world around you. So long as you try to placate evil, you will be tied to it and enmeshed in it. And if people would only realize what they can

have by arousing themselves and throwing off that which they know is not of God! You demand your freedom from that which is not of God and see whether We give it to you or not.

From today, I hope you will acknowledge the Victory of what you want and your freedom from what you do not want. Now as you demand every Power of the Sacred Fire that makes you victorious over all in this world that is of evil, and you demand all the Sacred Fire necessary to keep you free from that evil, then you have, while your attention is upon the Presence, the constant flowing Stream of the Sacred Fire within your Electronic Circle; and at any moment, those who are assisting can send forth Activities of the Sacred Fire of which you know nothing, but which you might need. So as you move in outer world conditions, before you enter into them, demand your Invincible Victory over all evil, and demand your Invincible Freedom from any contact with that evil. Then you do not have to fight conditions. You do not have to be weighted down with problems, and then you do not any longer make mistakes.

Now the Mighty Arcturus gave you the reminder of expanding the Unfed Flame in your Hearts up and around the head, and up to your Presence. And if I were you, whenever you send your love to your Presence, call to your Beloved 'I AM' Presence and Mighty Arcturus and ask Them to blend the two Flames, the Flame in your Heart, the Flame in your head. And that also includes the Power Flame at the throat. And enfolding that in the Flame of Love that goes to your Mighty 'I AM' Presence, ask your Beloved 'I AM' Presence to make you Its Sacred Fire that never makes a mistake, that cannot be bound by human qualities, that cannot be controlled by anything but the Beloved 'I AM' Presence and the Ascended Host.

Then My Dear Ones, you will find as time goes on, instead of having to handle more problems, your problems will drop away; and you will have time and you will have energy to go forth and do the Will of your Mighty 'I AM' Presence, create the Magnificent Perfection that fulfils the Divine Plan; and you can live in the World of the Sacred Fire of your own Mighty 'I AM' Presence Love. And you can have Its World of Power and Manifestation around the outer self, so long as you do not want any more gratification of the sense consciousness in this world.

So long as people want the amusement of the senses, they do not want God, only when their misery gets so great they can't stand themselves. And as soon as they are out of their misery they revert to their desires. And each time they revert, the next lesson will be more severe,

until the suffering is great enough to accomplish a permanent change of desire. When We have offered the Purity, the Perfection, the Freedom, the Mastery of existence on a Golden Platter, and then people prefer the gratification of the senses, how much do they want Freedom? How much do you want to save the Nation? How much do you want slaughter to stop throughout the world? Not until mankind awakens!

I have worked throughout the centuries to purify mankind's desire world; and if the Nation is to be purified, the people must be purified first. We have watched people sleep and sleep and sleep in the senses, and then sink in the quicksand that takes them to the second death. You cannot hold onto the filth of the senses and escape. People do not know how vicious and treacherous are those forces of human desire in the feeling world. Great evil is not built in a moment. It is the constant accumulation of discordantly qualified energy that gratifies the outer self's desires until it becomes like a whirlwind and swallows up the outer self into the second death.

Now We have worked and worked and worked to prevent the second death. We have asked the Staff since the beginning of this 'I AM' Instruction to call that no more be allowed to go through the second death. But My Dear Ones, people must stop their desire for sense gratification if they're going to have any more Help. We have given, We have given, We have given! We have purified and taken away mankind's frightful filth until you would die in horror at the sight if you could see it when We remove it. We have removed it again and again and again from individuals, hoping they will awaken and want no more of the filth of human desire.

So We can but amplify that which is pure. We cannot protect that which is not pure, and We do not. But those of you who have been pure and true and honest and sincere in your desire to rise out of that which has enmeshed the mass of mankind, those of you who have stood to the Light and don't want anything more but that Light and Its Love of Eternal Perfection, My Dear Ones, there isn't a thing We would not do to give you, We will move Heaven and Earth to assist you so long as you stand with your face to your Beloved 'I AM' Presence and want the Purity of the Ascended Host.

But so long as people go on in the filth of the senses, they do not want God. The deciding hour is approaching. We've all tried every way possible to awaken people out of the conditions that have enmeshed them and enslaved them and kept them giving their energy to destructive conditions. And now those who are honest and true and sincere and honourable

to their Beloved 'I AM' Presence and the Ascended Host, and don't just take everything for granted, to those We will deny nothing. But when people sometimes have things too easy, they take things for granted; and remember, the hand that gives can take away. I would advise everybody to wake up quickly and step out of the mire of their own sense gratification. You all know what I mean. After all these years, the Life Force, this most Powerful Energy in the Universe that creates Systems of Worlds, is given to mankind to attain the Ascension; and if it is not used for that, it is used to feed the anti-Christ that takes to the second death.

So, Blessed Ones, from this hour, because of America's crisis, because it is upon you, because the enslavement which the hordes of evil intend will stop at absolutely nothing to torture the American people, to deprave, enslave and pauperize and desecrate them, 'I AM' very much concerned today, that I may strengthen within you everything that is of Protection and the Perfection of the Christ. 'I AM' concerned for your safety! 'I AM' ready to give you Protection, but the Strength of the Light you must have within yourselves in order for Us to release It!

We have begged. We have pled. We have given. We have explained. We have given every conceivable activity that Life holds to awaken the people and help them rise out of the desires that enslave them. And if people linger longer in their sense desires, We must fold Our Mantles about Us and disappear. We will have to withdraw from those who still prefer the sense consciousness and its gratification, to the Purity and unconditional surrender to the Beloved 'I AM' Presence and the Ascended Host that have everything to give, and nothing that can create discord.

Blessed Ones, there has been tremendous Outpouring in this Class. It has gone forth to the Nation; and It will go on, ever intensifying Its Blessings to Life. But when We offer everything that is marvelous and wonderful and perfect and that is freedom, and people still prefer association with that which is of the senses, We can but leave them to their own devices until they awaken. If they prefer that to their Protection and the Protection of the Nation in which they live, they are unwise indeed.

Blessed Ones, those of you who have stood throughout the years with such faithfulness and such determination to hold to that Beloved 'I AM' Presence and to the Ideals of the Ascended Host, in an hour of world crisis, which I hope with all My Being will not occur, but which 'I AM' not sure will not occur, those of you who have stood at your post of duty and given and

held close to the Light, in the final analysis, if the filth breaks loose its slaughter, We can only protect those who have sought Purity and the Light.

Blessed Ones, I want you to feel today that I will draw every Power in the Universe to enfold you in Our Love and Our Protection to give you Invincible Courage and Strength. There isn't anything you can't have that We can give, which We will always give, and which We will not forget. When the outer world demands your attention, Blessed Ones, I plead with you: forget the outer world's desires, at least until the storm is over. And Precious Ones, these beloved young people whom the Mighty Divine Director has watched, and in whom He has placed the Disc of Cosmic Light Substance to give them the Strength and the Purity to protect that which is of Honor within their Life Streams, and to help take away the accumulation of the centuries, if they will not listen, 'I AM' deeply sorry.

Today I must tell you: either We have everything a hundred percent clean and unconditionally given to the Presence, or else there is not Strength enough of the Light within to hold the Guard for the Nation. You are the only Open Door through which that Guard can be given. And if We had absolute assurance that you would never turn away from the Light for an instant, We could charge you with such Power, It would be an Armor of such Protection, It could give you the Power of such accomplishment as would astonish your fellow Americans when you took your stand for the Freedom of the Nation from the holocaust that stands above, waiting to break loose.

We can protect the Nation with the people in this room, if every one of you means to do nothing but what the Presence and the Ascended Host would do! Thank you, Precious Ones, with all My Heart; for I shall accept that and clothe it in the Cosmic Sun Presence of Power that is needed in America tonight. Thank you for your Life's energy in that love. Won't you be seated, please.

Beloved Ones, I have given My Love to Life down through the ages. I have given My Love to Life down through the years. I gave My Life to the early patriots in the inception of America, that America might live as a Nation of God's Freedom. I gave My Life, Love, and Heart's Flame to establish this Nation. I gave that to the early patriots; and they gave everything they had, that America might live as the Nation of Freedom.

And now you who live within Her borders, as you, too, are willing to give the Sacred Fire of your own Beloved 'I AM' Presence and the Strength and the Power of Its Freedom to America,

as you are willing to give that, then We will stand the Guard and amplify that as much as possible to see if We cannot prevent that which is planned to be released upon you and against you. It's unbelievable that human beings can try to do such things, but unfortunately there are some of them in this world that have not yet become, really, human beings. Some of them are little more than the animal, who have planned these things against life.

You, My Loved Ones, every bit of constructively qualified energy you send forth, We can take up; and We can clothe it in Our Sacred Fire. We can make it as strong as steel. We can amplify it without limit, and We can direct it to where it is needed most. And you have done this thing in this Class. You have given tremendously of your own life's energy. You have given of your love, you have given of all you could; and do you think for one moment that We would not come back and give you all that We can? The Great Law of Balance will forever bless you and strengthen you and protect you to render that Service so long as you want to render it. And since America is your home and you must live here, then I assure you, to keep out the hordes of destruction that seek only to desecrate what is within the Land, I assure you, nothing is too much to give. No Service is too much to give. Nothing is too much to keep alert to prevent this which would take from you everything that is worth living for in this world.

So, Blessed Ones, I plead with you: go on with these Decrees that you have in this Class. Let down not at all, but rather go forth with a fierce Joy in your Hearts that you have a Sceptre of Power that We can amplify. And enjoy the use of the Cosmic Activities of the Sacred Fire that are always Master over evil. Blessed Ones, 'I AM' grateful to every one of your Life Streams whose Light has given for America the love that the Cosmic Law demands; for your love to America means more than you know. It is more than just an appreciation of what is within your borders. It is more than just love for Freedom. The love for your Nation is the love for the life of those who established the Nation. And so since We, too, gave Our Love to establish this Nation, the hour is upon Us when We must give more Love now, and all the Protection of the Nation, to keep the Nation free from that which would destroy It, and to purify It as rapidly as possible.

Blessed Ones, I know you will not mind if I remind you that long ago, I offered you the Crystal Cap, the Crystal Armor, and the Crystal Cross, the Open-ended Cross of Freedom, that are My Special Powers to protect you and free you and take you forward to Victory. And I also have My Violet Flame Mantle and Cloak of Invisibility, Invincibility, and

Invulnerability against evil. So, Blessed Ones, with all that the Cosmic Law has offered, all that the Great Beings have done to help awaken the people and strengthen all that is of the Light within them, still the Nation needs more. Many are awakening. Many are inflexible. Many are courageous; and there are fine, wonderful patriots in America who will stop at nothing to give all they have.

So, Blessed Ones, We will stop at nothing to give all We have, if the people want It, if the people are worthy of the Purity that the Nation must have in order to remain free. But the Nation will not remain free if filth is allowed to dominate. Therefore in your Demands for the Forced Purification of all within your borders, there is far greater Power in that than you understand; and since you gave that of your own Free Will, the Cosmic Law will ever seek to expand that Desire, not only within you, but within the life of those who come within your borders.

Beloved Ones, since there are many refugees here from other nations in the world, because of the frightening experiences that have been theirs, they bring with them sometimes, unfortunately, a hatred that must be handled. So please steel yourselves against that. Remember the Crystal Armor I have given. Remember My Cloak of Invisibility against evil and Invincibility against evil; and try with all you are and have to hold so close to your Beloved 'I AM' Presence and to Us that you do accept the Legions of the Sacred Fire within your borders to strengthen and protect all that is of the Light. And keep yourselves filled with and surrounded by that Light, the Light that is of such intensity that that which is of filth cannot approach.

So, Blessed Ones, there is one thing We offer tonight for your Blessing and Protection, and that is: if you will call for the Legions of the Violet Consuming Flame who guard the Permanent Atom within the Heart of the World, who guard the Heart of the World, which the United States of America is, welcome those Legions of the Violet Consuming Flame's Invincible Protection to God's Freedom here. Then as you strengthen yourselves day by day, as you demand the Strength of the Light that is always Invincible against evil, We can strengthen the Light within the Nation that makes It and keeps It Invincible against evil.

And be not deceived! There are plenty of traitors within your borders. There are plenty of the hordes of evil within this Land. So if you will call forth the Great Central Sun's Invincible Sacred Fire Legions of Eternal Protection to that which is of the Light in America, that will guard your Light. It will guard you. It will guard that which is constructive within your

borders. And if It guards that which is constructive, It will weaken that which is not constructive.

So, Blessed Ones, I'm going to call you tonight not only My Legions of Freedom, but the Legions of My Heart. You know, there is the Order of the Purple Heart of which the Blessed Washington was head. So when I ask you to become the Legions of My Heart, My Violet Flame Heart can abide with you at all times. And as you accept It and ask It to make you the Strength of Freedom in you to protect America, and to send It forth within the Nation to strengthen all who honestly and sincerely stand for the Freedom of this Land of Light, It becomes the Protection of the Heart of the World.

And each of you can be that Sacred Fire Heart of Protection to the Heart of the World. The Heart of the World needs Protection if the life in the world is to survive. And the world does not realize yet tonight just how much of the survival of that which is constructive depends on America. This is what 'I AM' trying to guard. This is what 'I AM' bringing to your attention, that My Violet Flame Heart may guard you; and you, in turn, calling It into outer conditions, may help to guard the Heart of the World, and go forth and guard that which is constructive everywhere.

These magnificent Activities of the Sacred Fire and the Cosmic Light and the Love of these Transcendent Divine Beings of Perfection, these Manifestations are no figment of anybody's imagination. And only God alone knows what the condition of the Nation or the world would be if We were to withdraw, or if We were just to withdraw the Sacred Fire We've given. So 'I AM' deeply grateful, more than you know, more than I can put in words, for your Decrees to shock the people awake and fire the people awake. And I think, with your assistance and Ours, I hope We shall have a very exciting time, soon. I should not say exciting. I should say thrilling time. But I assure you, it will be a thrill of such joy to watch the Life Streams strengthened by the Light turn away from the clutches of the hordes of evil that seek to control them.

So, Blessed Ones, you are the Guardians of My Heart's Flame. You are the Guardians, and We are the Guardians of the Heart of the World; and the Heart of the World has to guard the life of the world. So this hour, if you care to call into and around yourselves the Legions of the Guarding Heart of the Violet Consuming Flame, We will intensify and expand more

of Its Power each day. And you just watch It expand and go forth with the Demand that It master all evil and annihilate all evil.

You have had the Violet Flaming Heart of the Beloved Master Jesus with the point of Blue within, which is His White Fire Presence. You have had the Guarding Heart Flame of the Blessed Orion as the Victory of the Love of the Seven Mighty Elohim, the Seven Mighty Kumaras, the Seven Mighty Chohans, the Seven Great Archangels. But this hour I give you My Legions of the Guarding Heart of the Violet Consuming Flame in Cosmic Action that compels evil to recede and be forever consumed.

I have certain responsibility, but I also have certain privileges and certain use of Cosmic Activities of the Sacred Fire which have to be used in the physical octave in the purifying of the world and mankind upon it. So if you will feel that everything in your beings and worlds, everything abides within this Cosmic Violet Flaming Heart of My Heart's Control of America. And My Legions of the Violet Flaming Heart's Control of those who are under My Radiation, if you will call these in and around yourselves, be aware of Their Presence and ask for Their Mightiest Love, Forgiveness, and Mercy to life to move throughout America and do whatever is necessary to prevent slaughter within the Americas or destruction of anything that is constructive within your borders. It's a very dangerous thing, My Dear Ones, when one nation after another is allowed to go forward and slaughter, slaughter, slaughter because of revenge.

This is what We are trying to keep out of America, trying to keep out of the United States of America, because when people are stirred to anger, they are easily controlled by the anti-Christ of the world. And when you are controlled by My Violet Flaming Heart Legions, forget not your Crystal Armor and Crystal Cap and Crystal Cross; for you abide within It as the Open-ended Cross of Freedom. It is My Cosmic Power that is focused then in and around you. And as It is all held within the Cosmic Violet Consuming Flame of the Freedom which 'I AM', and the Authority of the Sacred Fire's Freedom which 'I AM' from the Great Central Sun and from the Violet Planet, It can intensify in and around you without any limit whatsoever. And It will do for you individually what you little understand as you demand Its Presence within the Nation to guard the Heart of the World.

You just be concerned about the guarding of the Purity in the United States of America. And as you hold this Violet Flaming Heart in and around yourselves and in and around the Nation, the Legions of that Violet Consuming Flame can come closer and closer into your

outer activities and release more and more Power of Purification, so that the hordes of evil may be compelled to recede more quickly. It is pitiful indeed when men trusted with the honour of office betray the very people that feed them. But unfortunately, since the sinister force knows naught that is right, then We must strengthen and expand and protect and amplify as much as possible everything that is constructive within those who understand this Law.

So, Blessed Ones, as you understand and call the Cosmic Legions of My Violet Flame Heart of Freedom to come in and guard the Purity in America that is the Strength and is the Freedom of the Nation, then you make the Call and see that take place often, and We will do everything possible to assist you in ways you dream not of. And so, Blessed Ones, I might seem severe, but if so, it is because I have your safety at stake; and I assure you, the hordes of evil do not.

From today, I ask you to live only for the Purity and the Protection of the Freedom of your Land over the next few months. Nothing is as important in your outer activities as to call this forth to protect everything that is the Heart of the Freedom of this Nation and the Heart of God within individuals, the Heart that is good, the Heart which is all that is constructive within the Life of the people. And so I have called these Legions of the Violet Flaming Heart of My Eternal Freedom, and They shall abide in the lower atmosphere of Earth to come as near you as possible.

Now the Great Beings who are the Cosmic Authority to this System of Worlds, in Their Great Outpouring at the Royal Teton and throughout the world, of Their Sacred Fire Power, it is that It may affect nations, and the structure of Earth itself, and the atmosphere over the Earth. But these Legions of My Violet Flame Heart of Freedom are the Sacred Fire Power of My Love to guard that within each Life Stream which is holding to Freedom and trying to protect Freedom for the Nation. And in that Desire to protect the Freedom of this Land, My Desire and My Love protects the Freedom for the individual who is awake enough to want to save his Nation from slaughter.

I have not idly called these Beings to be My Bearers of the Sacred Fire and, wherever possible, intensify and expand It in and around those under this Radiation. And then as each day you ask that to go forth and protect all that is God's Freedom within this Land, all that is constructive, all that the Great God Presence, the Mighty 'I AM', has placed within this

Nation in the beginning for the Fulfilment of Its Destiny, you will be part of that Fulfilment and you will enjoy the revealing of the Destiny.

So, Blessed Ones, as you are aware of this, as you call It into outer physical conditions, many times through My Love to you, I will be nearer than breathing and closer than hands and feet, because I assure you, the Violet Flame of My Love can penetrate all things and protect all that is constructive. And since I gave My Life to the early patriots for the Freedom of this Nation and the establishing of Its Power to which It has attained, then My Love shall still strengthen all within the borders of this Nation who want the God Way of Life, the God Control within your Land, and the God Freedom that gives individuals the opportunity to go forward and attain the Ascension. So, Beloved Land of America, Thou must be purified, and Thou must arise the Ascended Master Nation of the Earth!

As the Heart of the World, the Sacred Fire of Our Love is forever the Hand of God within the people and within the Land to keep total destruction from touching that which is within your borders. So, Blessed Ones, I hope you will feel the nearness of these Legions of the Violet Flaming Heart of My Freedom, the Violet Flaming Love of My Protection to you all and to all that is of God within your borders. And be no part of the hatred that surges in outer world channels. Be no part of it. Hold your own; and wherever you abide, you demand the Cosmic Sacred Fire's Possession of everything within your borders and compel the Purification that is the Protection of your Freedom and is the Control of your government. And silently go forward and demand the Power that holds Freedom for your Land, the Victory of God for your people, and the Illumining Presence of the Violet Consuming Flame in Its All-authority over all in this world.

So, Blessed Ones, together with My Beloved Goddess of Justice and the Blessed Goddess of Liberty, and others of the Great Ones who have guarded through the years and given and given and given the Strength in the people, We come now in Cosmic Action and Power to release this Sacred Fire in and around you and make you that which guards the Nation in this hour of betrayal. That's as plain as I can say it.

You must have the Power of Protection. You must have the Sacred Fire of Our Love and Our Freedom. You must have Our Sacred Fire Control within and around yourselves. And you demand that Control of the Sacred Fire enter into and control your government regardless of individuals, and the Radiation can do many things that the spoken word will never accomplish. So, Blessed Ones, go forward, go forward, go forward. But be invincible

and absolutely steel-like in your Demand for God's Mighty Sacred Fire Control of all within your borders. And as you demand that for the Nation, We demand It for you. And then the Nation can pour It forth to the world.

With all My Heart I thank you for your love of this Light, the Decrees you have given, and your willingness to stand, face, and conquer. And there shall come to you forever Our Love, Our Gratitude, Our every Assistance that the Cosmic Law permits. And the more you do for your Nation, the more We can do for you; and together We can bring the Light within your borders that is the Strength and the Power to offset that which is intended.

Blessed Ones, just go forward and demand, demand, and demand the Great Central Sun's Sacred Fire Control of your Land, the Great Central Sun's Purification of all within your borders, the Great Central Sun's Invincible Protecting Presence of your Eternal Freedom; and My Legions of the Violet Flaming Heart of Freedom can come everywhere and, spreading that Sacred Fire, absolutely smother the evil that would seek to desecrate and destroy all. So from the Inner standpoint, We have many Ways and Means of preventing that which is intended; and this is one that it is My Privilege to use. And the Beloved Godfré, little does anyone understand what Power of the Angelic Host He wields and what Power of Love He still has for the Nation of His Heart! (applause) Thank you so much, Precious Ones.

So from tonight, know that these Great Ones, these Messengers who have come in this Class, as you receive again the Words of these Dictations on your small records, as you use them within your homes, try to feel a Sun Presence of the Power of each Master. Its Sacred Fire Power without limit expands through those records and through that sound, and goes on and on into the Nation itself, and throughout the country to the world. Feel that go forward, Wave after Wave of that Sacred Fire, and ask the Great Ones to charge every Power of the Sacred Fire into those records. And as those Words go forth, they can become Living Beings in the atmosphere about you to clear the consciousness of the people, to strengthen their courage, to give Invincible Protection to their Purity, and to make them like steel against evil.

We have built to this apex today the constant Outpouring of the Sacred Fire during this Class, and through your Mighty Decrees and your Music. And now We take the combined energy of the whole Class, and forming It into a Cosmic Sun, We will strengthen and intensify and expand It, and direct It everywhere possible to prevent that which has no right to be.

I hope I will be with you again before too long. So far as We understand at the present time, the Easter Class will be held in Santa Fe; and until then, if you will call forth what's been given in this Class and remember It to the best of your ability, It will go on doing Its Work. And I assure you, every Blessing you give will be amplified without limit and more Blessings come back to bless you.

So you cannot possibly lose. You cannot fail as you turn to this Beloved 'I AM' Presence and Our Activities of the Sacred Fire and draw Them into the physical octave of this Nation and charge Them forward, and keep on charging Them forward, and demand the Sacred Fire Authority of the Violet Consuming Flame's Freedom be the Authority in every individual within your borders, to compel Purity and Protection of Freedom for your Land and for life throughout the world.

Go forward, and ever and ever and ever shall more of Our Love come to enfold you and strengthen you and make you the Victory of Our Freedom. And together We shall be the Victory of the Freedom of this Land that is the Heart of the World, and We shall continue to expand It until the world itself is Free and Ascended. Thank you with all My Love, and for Eternity shall I bless you and give you all that the Mighty 'I AM' Presence has given unto Me. I leave It with you, and It shall ever expand to glorify that Mighty 'I AM' Presence and all who carry Its Light to the rest of mankind, and who call forth Its Light to fill this Nation with Freedom for Eternity. Thank you with all My Heart.
